

CURRICULUM VITAE

Clark Spencer Larsen

DATE: 1 January 2009

ADDRESS: Department of Anthropology **LAB:** <http://anthropology.ohio-state.edu/bioarch/index.htm>
244 Lord Hall
124 West 17th Avenue
The Ohio State University
Columbus, OH 43210-1364

TELEPHONE: 614-292-4117 (office) **EMAIL:** Larsen.53@osu.edu
614-292-4155 (fax)

DATE AND PLACE OF BIRTH: 10 April 1952; Omaha, Nebraska, U.S.A.

EDUCATION:

- 1980 Ph.D. (Biological Anthropology), The University of Michigan, Ann Arbor
- 1975 M.A. (Anthropology), The University of Michigan, Ann Arbor
- 1974 B.A. (Anthropology, with Honors), Kansas State University, Manhattan
- 1970 Diploma, Beatrice Senior High School, Beatrice, Nebraska

PRIMARY APPOINTMENTS:

Distinguished Professor of Social and Behavioral Sciences and Chair, Department of Anthropology, Ohio State University, Columbus, 2001-

Amos Hawley Distinguished Professor, Department of Anthropology, University of North Carolina, Chapel Hill, 1999-2001

Professor, Department of Anthropology, University of North Carolina, Chapel Hill, 1995-1999

Associate Professor, Department of Anthropology, University of North Carolina, Chapel Hill, 1993-1995

Professor, Department of Anthropology, Purdue University, 1991-1993

Associate Professor, Department of Anthropology, Purdue University, 1989-1991

Associate Professor and Chair, Department of Anthropology, Northern Illinois University, 1987-1989

Associate Professor, Department of Anthropology, Northern Illinois University, 1985-1987

Assistant Professor, Department of Anthropology, Northern Illinois University, 1983-1985

Assistant Professor, Department of Sociology and Anthropology, University of Massachusetts—Dartmouth (formerly Southeastern Massachusetts University), 1979-1983

OTHER APPOINTMENTS:

Visiting Professor, Department of Anthropology, University of California, Berkeley, 1999

Adjunct Professor, Department of Anthropology, University of North Carolina, Chapel Hill, 2005-

Adjunct Professor, Department of Biological Anthropology and Anatomy, Duke University Medical Center, Durham, North Carolina, 1995-2001

Adjunct Professor, Department of History, Ohio State University, Columbus, Ohio, 2004-

Adjunct Professor, Department of Ecology, Evolution, and Organismal Biology, Ohio State University, Columbus, Ohio, 2004-

Adjunct Professor, Department of Anthropology, East Carolina University, Greenville, North Carolina, 2001-2002

Guest Scientist, Summer Undergraduate Research Program in Biocultural Anthropology (Research Experiences for Undergraduates, National Science Foundation), Department of Anthropology, University of Notre Dame, South Bend, 2005, 2008

Research Associate, Research Laboratories of Archaeology, University of North Carolina, Chapel Hill, 1993-2001

Research Associate, Division of Anthropology, American Museum of Natural History, 1980-

Carolina Speaker, Carolina Speakers Bureau, University of North Carolina, Chapel Hill, 1998-2001

Director, The Anthropology Museum, Northern Illinois University, 1983-1989

Director, Bioarchaeology Research Laboratory, Ohio State University, 2001-

Fellow, Center for Social and Behavioral Sciences, School of Liberal Arts, Purdue University, 1992

Fellow-in-Residence, Department of Anthropology, National Museum of Natural History, Smithsonian Institution, 1978-1979

OFFICES HELD:

Past President, American Association of Physical Anthropologists, 2001-2002

President, American Association of Physical Anthropologists, 1999-2001

President-Elect, American Association of Physical Anthropologists, 1998-1999

Vice President, American Association of Physical Anthropologists, 1996-1998

Member, Executive Committee, American Association of Physical Anthropologists, 1996-2007

EDITORIAL:

Editor, Book Series: *Bioarchaeological Interpretations of the Human Past: Local, Regional, and Global Perspectives*, University Press of Florida, 2006-

Editor-in-Chief, *American Journal of Physical Anthropology*, 2001-2007

Associate Editor, *American Journal of Physical Anthropology*, 1994-1998

Contributing Editor, *Journal of Archaeological Research*, 1999-

Member, Editorial Board, *PLoS ONE*, 2009-

Member, Editorial Board, *Yearbook of Physical Anthropology*, 1998-2001

Member, Editorial Board, *Anthropological Science*, 2000-

Member, International Referee Board, *Journal of Anthropological Sciences*, 2005-

Member, Board of Editors, *Cambridge History and Culture of Human Nutrition Project*, Cambridge University Press, 1989-2000

COMMITTEES/PANELS:

Member, Review Panel, Wenner-Gren Foundation for Anthropological Research, 2008-

Member, Fellowships Committee, American Research Institute in Turkey, 2008-

Member, Scientific Advisory Board, Revealing Hominid Origins Initiative (RHOI), University of California, Berkeley, 2004-

Member, Committee of Visitors (Member of Physical Anthropology Program COV; Chair, Anthropological and Geographical Sciences Cluster), Division of Behavioral and Cognitive Sciences, National Science Foundation, 2003

Member, Steering Committee, American Association for the Advancement of Science, Section on Anthropology (H), 2002-2006

Member, Executive Board, Ohio State University Chapter, Sigma Xi, 2008- (Vice President, 2008-2009)

Member, National Committee for Grants-in-Aid of Research, Sigma Xi, The Scientific Research Society, 1994-2001

Co-Director (with Simon Hillson), Bioarchaeology of Çatalhöyük, Turkey, 2002- (Çatalhöyük Archaeological Project, directed by Ian Hodder)

Co-Director (with Richard Steckel, Paul Sciulli, Phillip Walker), Global History of Health Project, 1999-

Member, History of Health and Nutrition in the Western Hemisphere Project, 1993-2002

Member, Physical Anthropology Peer Review Panel, Foley Square/African Burial Ground Project, U.S. General Services Administration, 1993-1999

Member, Review Panel, Kennewick Skeletal Analysis, U.S. Department of the Interior, 1998

Member and Chair, External Review Committee, Department of Anthropology, University of Utah, Salt Lake City, 2003

Member, College of Reviewers, Canada Research Chairs Program, 2004-

Member, European Science Foundation, Reviewer Pool, 2006-

Member, External Review Committee, Department of Anthropology, University of Missouri, Columbia, 2001

Member, External Review Committee, Department of Social and Cultural Sciences, Marquette University, Milwaukee, Wisconsin, 2001

Member, External Review Committee, Phoebe Hearst Museum of Anthropology, University of California, Berkeley, 1997

Member, Use of Human Remains in Research and Teaching Committee at the University of California, Berkeley, University of California, Berkeley, 1999-2000

Co-Chair, Repatriation Committee, American Association of Physical Anthropologists, 1997-

Member, Publications Committee, American Association of Physical Anthropologists, 1999-2007

HONORARY MEMBERSHIPS:

American Association for the Advancement of Science, Fellow (elected 2006)
Sigma Xi, The Scientific Research Society (elected 1984)

MEMBERSHIPS IN ORGANIZATIONS:

Council of Scientific Society Past Presidents
American Association for the Advancement of Science (Anthropology Section)
Sigma Xi, The Scientific Research Society
American Anthropological Association (Biological Anthropology Section)
American Association of Physical Anthropologists
Paleopathology Association
Dental Anthropology Association
Society for American Archaeology

CURRENT BIOGRAPHIES:

Who's Who in America, Who's Who in the World, Who's Who in the Midwest, Who's Who in the South and Southwest, Who's Who in Science and Engineering, Who's Who in American Education, Men of Achievement, Dictionary of International Biography, Contemporary Authors

AWARDS AND DISTINCTIONS:

2008 Gabriel W. Lasker Distinguished Service Award, American Association of Physical Anthropologists

2005-08 National Distinguished Lecturer, Sigma Xi, The Scientific Research Society

2003 Educational Hall of Fame Award, Beatrice, Nebraska

2000 Marshall Urist Lecturer, Association of Bone and Joint Surgeons

1999 Amos Hawley Distinguished Term Professorship, University of North Carolina, Chapel Hill, awarded "in recognition of outstanding scholarship, creativity and commitment to undergraduate education"

1984 The Outstanding Teacher of Anthropology for 1983-1984, Department of Anthropology, Northern Illinois University

FELLOWSHIPS:

1992 Fellowship, Center for Social and Behavioral Sciences, Purdue University: "Biohistory of Post-Columbian Native Americans: Accommodation and Change in La Florida."

1978-79 Smithsonian Institution Predoctoral Fellowship, Department of Anthropology, National Museum of Natural History: "Morphological Changes in the Human Skeleton Associated with Agricultural Adaptation on the Georgia Coast."

1973 Undergraduate Fellow, Undergraduate Research Program (National Science Foundation supported), Department of Anthropology, American Museum of Natural History.

1972 Undergraduate Fellow, Undergraduate Research Program (National Science Foundation supported), Department of Anthropology, National Museum of Natural History, Smithsonian Institution.

EXTERNAL RESEARCH GRANT SUPPORT:

2009-10 National Geographic Society: (with Simon Hillson, Christopher B. Ruff, Ian Hodder, and Başak Boz) "Children of the Neolithic: Growth, Development, and Adaptation at Çatalhöyük, Turkey" (\$21,350, pending)

2009-13 National Institutes of Health: (with Richard H. Steckel, Paul W. Sciulli, and Phillip L. Walker) "Geography and Institutions in Skeletal Morbidity since the Neolithic Era" (\$3,211,216, pending)

2007-08 National Science Foundation (Doctoral Dissertation Improvement): (with James H. Gosman) "Patterns in Ontogeny of Human Trabecular Bone from the Prehistoric Ohio Valley" (\$12,000)

2006-07 National Geographic Society: (with Simon Hillson, Christopher B. Ruff, Ian Hodder and Başak Boz) "Health and Lifestyle at Çatalhöyük: Bioarchaeology of a Neolithic Settlement in the Konya Plain, Turkey" (\$21,320)

- 2006-07 National Science Foundation (Doctoral Dissertation Improvement): (with B. Scott Aubry) "Mesoamerican Population Structure and Interregional Interaction" (\$11,963)
- 2005-08 National Science Foundation: (with Richard H. Steckel, Phillip L. Walker, Paul W. Sciulli, Carolyn Merry, and Lonnie G. Thompson) "The Living Environment and Human Health Over the Millennia: Europe Over the Last 10,000 Years" (\$649,907)
- 2005-06 Wenner-Gren Foundation for Anthropological Research (Dissertation Field Research): (with Haagen D. Klaus) "Consequences of Contact in the Andes: A Bioarchaeological Case Study of Colonial Perú." (\$15,620)
- 2005-06 Wenner-Gren Foundation for Anthropological Research (Dissertation Field Research): (with Daniel H. Temple) "Patterns of Health during the Agricultural Transition in Japan." (\$12,887)
- 2004-05 National Science Foundation (Doctoral Dissertation Improvement): (with Kimberly D. Williams) "A Geospatial Bioarchaeological Perspective on Behavior, Activity Patterns, and Lifestyle in the Eastern Woodlands of North America." (\$11,591)
- 2002-06 National Science Foundation: (with Richard H. Steckel, Phillip L. Walker, and Paul W. Sciulli) "A History of Health in Europe from the Late Paleolithic Era to the Present." (\$538,000)
- 2002-03 National Science Foundation (Doctoral Dissertation Improvement): (with Celeste Gagnon) "Daily Life and the Development of the State in the Moche Valley of North Coastal Perú." (\$12,000)
- 2001-02 National Science Foundation: (with Richard H. Steckel, Phillip L. Walker, and Paul W. Sciulli) "Workshop: Skeletal Biology, Health, and Economic Development in Europe from the Late Paleolithic to the Nineteenth Century." (\$21,000)
- 2001-02 National Science Foundation (Doctoral Dissertation Improvement): (with Tiffany A. Tung) "The Health Impact of the Wari Empire (AD 600-1000): A Bioarchaeological Study of Diet, Disease, and Violent Conflict." (\$12,000)
- 2000-01 Wenner-Gren Foundation for Anthropological Research (Dissertation Field Research): (with Tiffany A. Tung) "The Wari Empire and Its Health Impact on Rural Peoples from Majes Valley: A Bioarchaeological Study of Diet, Disease, and Violent Conflict in Andean Perú." (\$9,130)
- 1995-96 National Science Foundation (Research Experiences for Undergraduates Program): "Bioarchaeological Investigation of Native Responses to European Colonization of La Florida." (\$4,000)
- 1994-96 National Endowment for the Humanities: (with Bonnie G. McEwan) "Archaeological and Biocultural Investigations in the Church Complex at San Luis." (\$68,810)
- 1993-96 National Science Foundation: "Bioarchaeological Investigation of Native Responses to European Colonization of La Florida." (\$129,930)
- 1993-94 National Science Foundation: "History of Human Health in Native Populations from the Georgia Bight." Contribution to the project, A History of Health and Nutrition in the Western Hemisphere, directed by Richard H. Steckel and Jerome C. Rose. (\$2,600)
- 1993 St. Catherines Island Foundation: (with David Hurst Thomas) funding for excavation of South End Mound I, St. Catherines Island, Georgia. (\$3,000)

1992 Institute for Early Contact Period Studies, University of Florida: (with Margaret J. Schoeninger) "Stable (Carbon and Nitrogen) Isotopic Documentation of Prehistoric Human Diets on St. Simons Island, Georgia." (\$1,400)

1992 Institute for Early Contact Period Studies, University of Florida: "Biocultural Documentation of a Human Skeletal Series from St. Simons Island, Georgia." (\$1,500)

1992 St. Catherines Island Foundation: (with David Hurst Thomas) funding for excavation of South End Mound I, St. Catherines Island, Georgia. (\$3,000)

1991 St. Catherines Island Foundation: (with David Hurst Thomas) funding for excavation of South End Mound I, St. Catherines Island, Georgia. (\$3,000)

1990 Midwest Universities Consortium for International Activities and Purdue University: "Stress in Early Hominids: the Krapina Neandertals." (\$650)

1990 L.S.B. Leakey Foundation: "Stress in the Krapina Neandertals." (\$2,665)

1988 American Anthropological Association (funding from National Science Foundation block grant): travel grant to present paper at 12th International Congress of Anthropological and Ethnological Sciences, Zagreb, Yugoslavia. (\$500)

1987-89 National Science Foundation: "Postcontact Biocultural Adaptation of Native American Populations in Spanish Florida." (\$39,081)

1988-89 National Science Foundation (Research Experiences for Undergraduates Program): "Postcontact Biocultural Adaptation of Native American Populations in Spanish Florida." (\$4,000)

1987-89 National Science Foundation: "Biocultural Analysis of Human Remains from the Carson Sink, Nevada." (\$8,285)

1986 George and Dorothy Dorion Fund: (with Jerald T. Milanich and Kathleen Deagan) funding for cemetery excavation at Mission Santa Catalina de Guale de Santa Maria, Amelia Island, Florida. (\$25,000)

1984-86 St. Catherines Island Foundation: (with David Hurst Thomas) funding for cemetery excavation at Santa Catalina de Guale mission, St. Catherines Island, Georgia. (\$20,600)

1984-87 National Science Foundation: "Postcontact Biocultural Adaptation of Native American Populations on St. Catherines Island, Georgia." (\$55,208)

1982-83 St. Catherines Island Foundation: (with David Hurst Thomas) funding for cemetery excavation at Santa Catalina de Guale mission, St. Catherines Island, Georgia. (\$17,000)

1981 Richard K. Lounsbery Fund for Research in Anthropology, American Museum of Natural History: "Prehistoric Biocultural Adaptation in the Great Basin." (\$2,000)

CONTRACTS:

- 2001-07 Support for the office of Editor-in-Chief, *American Journal of Physical Anthropology*, John Wiley & Sons, Inc. (\$60,000 per year)
- 2002 "Analysis of Human Skeletal Remains from a 19th Century Family Cemetery, St. Clair County, Illinois." Environmental Compliance Consultants, Inc. (\$800)
- 2000 "Physical Examination and Assessment for Taphonomy to Assist with DNA Sample Selection from the Kennewick Human." U.S. Department of the Interior and National Conference of State Historic Preservation Officers. (\$4560)
- 1999-00 "Analysis of Human Remains from Mission San Marcos, New Mexico." American Museum of Natural History. (\$200)
- 1999 "Analysis of Human Remains from South End Mound I, St. Catherines Island, Georgia." American Museum of Natural History. (\$2000)
- 1997-99 "Analysis of Human Remains from Mission San Luis de Talimali, Florida." Bureau of Archaeological Research, Florida Department of State, Tallahassee. (\$18,000)
- 1997 "Human Remains from the Spanish Village Site (23SL69), Bridgeton, Missouri." Environmental Compliance Consultants, Inc., Springfield, Illinois. (\$500)
- 1997 "Analysis of Human Remains from Olcott Mounds, Sangamon County, Illinois." Environmental Compliance Consultants, Inc., Springfield, Illinois. (\$250)
- 1996-97 "Analysis of Southport Mound, Florida, Human Remains." Janus Research, Inc., St. Petersburg, Florida. (\$1500)
- 1995-96 "Analysis of Fusihatchee Town Human Remains." Auburn University at Montgomery, Alabama. (\$500)
- 1995-96 "Analysis of Fusihatchee Town Human Remains." Auburn University, Auburn, Alabama. (\$500)
- 1995-96 "Analysis of Fusihatchee Town Human Remains." University of South Alabama, Mobile. (\$3,000)
- 1994-95 "Study of Human Skeletal Remains from the Fusihatchee Town Archaeological Site, Alabama." University of South Alabama, Mobile. (\$10,000)
- 1994 "Study of Human Remains from Site 11-Ms-1380, Madison County, Illinois." Hanson Engineers Inc., Springfield, Illinois (\$400)
- 1994 "Repatriation Inventory of Human Remains from the King and Pine Harbor Sites, Archaeological Collections of the University of Georgia." University of Georgia, Athens. (\$3,300)
- 1994 "Study of Human Remains from the Reeves Site, Will County, Illinois." Hanson Engineers Inc., Springfield, Illinois (\$400)

1994 "Analysis of Human Dentitions from the Tutu Site, U.S. Virgin Islands." Government of the U.S. Virgin Islands (Office of the State Archaeologist), Charlotte Amalie, and the University of North Carolina, Greensboro. (\$1,000)

1992 "Study of Human Remains from the Crows Mill (Cross Cemetery) Site, Springfield, Illinois." Hanson Engineers Inc., Springfield, Illinois (\$5,948)

1992-93 "Repatriation Inventory and Survey of Human Remains from the Archaeological Collections of the University of Georgia." University of Georgia, Athens. (\$35,000)

1991 (with Bonnie G. McEwan) "Bioarchaeology at Mission San Luis de Talimali." Bureau of Archaeological Research, Florida Department of State, Tallahassee. (\$10,099)

1990 (with R. Criss Helmkamp) "Excavation and Study of Human Remains from the Cleaver Family Cemetery, Tippecanoe County, Indiana." Tippecanoe County Coroner's Office, Lafayette, Indiana. (\$750)

1988 "Study of Human Remains from Mission San Luis de Talimali, Florida." Bureau of Archaeological Research, Florida Department of State, Tallahassee. (\$50)

1986 "Study of Human Remains from the First Field Season, Mission Santa Catalina de Guale de Santa Maria, Amelia Island, Florida." Janus Research, St. Petersburg, Florida. (\$1,500)

1985 "Study of Human Remains from Hawthorne, Nevada." Bureau of Land Management, Carson City District, Carson City, Nevada. (\$150)

1978 "Study of Human Remains from the Tibbee Creek Site, Lowndes County, Mississippi." U.S. Army Corps of Engineers, Mobile District, Mobile, Alabama. (\$300)

Clark Spencer Larsen and Dale L. Hutchinson (1985) *A Historic Infant Burial from Hawthorne, Nevada*. U.S. Department of the Interior, Bureau of Land Management, Carson City District, Nevada, 16 pp.

John W. O'Hear, Clark Spencer Larsen, John C. Phillips, C. Margaret Scarry, and Erica Simmons (1981) *Archaeological Salvage Excavations at the Tibbee Creek Site (22Lo600), Lowndes County, Mississippi*. U.S. Army Corps of Engineers, Mobile District, 251 pp.

IN PREPARATION:

Clark Spencer Larsen, Internationalizing Biological Anthropology: The View from the American Journal of Physical Anthropology. *Current Anthropology*. (article, in preparation)

Giuseppe Vercellotti, Clark Spencer Larsen, Gino Fornaciari, Davide Caramella, and Vincenzo Formicola, Porotic Hyperostosis in a Late Upper Paleolithic Skeleton (Villabruna 1, Italy). *American Journal of Physical Anthropology*. (article, in preparation)

Rolf Peterson, John Vucetich, and Clark Spencer Larsen, Osteoarthritis (OA) in Isle Royale Moose: Nutritional Ecology in an Island Population. *Science*. (article, in preparation)

Clark Spencer Larsen and Phillip L. Walker, Bioarchaeology: Biological Process, Behavior, and Adaptation in Recent Human Evolution. In: *A Companion to Physical Anthropology*, edited by Clark Spencer Larsen. Wiley-Blackwell, Malden, Massachusetts. (chapter, in preparation)

Clark Spencer Larsen, History of Paleopathology in the American Southeast: from Pox to Population. In: *The History of Paleopathology*, edited by Jane E. Buikstra and Charlotte Roberts. Oxford University Press, Oxford, UK (chapter, in preparation).

Clark Spencer Larsen, *Bioarchaeology: Interpreting Behavior from the Human Skeleton*, second edition. Cambridge University Press, Cambridge, UK. (book, in preparation)

Clark Spencer Larsen, *Our Origins: Discovering Physical Anthropology*, second edition. W.W. Norton, New York. (textbook, in preparation)

Clark Spencer Larsen, *A Companion to Physical Anthropology*. Wiley-Blackwell, Malden, Massachusetts. (edited book, in preparation)

HONORARY LECTURES:

- 2007 Plenary Lecture, Gesellschaft für Anthropologie (German Association of Physical Anthropologists), Freiburg, Germany.
- 2002 Charles P. Taft Distinguished Lecture, University of Cincinnati, Ohio.
- 2002 Keynote Lecture, International Conference on Environmental Catastrophes and Recoveries in the Holocene, Brunel University, London, England.
- 2001 Plenary Lecture, 14th Congress of the International Union of Prehistoric and Protohistoric Sciences, Liège, Belgium.
- 2000 Marshall Urist Lecture, 52nd Annual Meeting of the Association of Bone and Joint Surgeons, San Antonio, Texas.
- 1999 Leon R. Larsen Memorial Lectures, Dana College, Blair, Nebraska.
- 1998 Plenary Lecture, Gesellschaft für Anthropologie (German Association of Physical Anthropologists), Göttingen, Germany.
- 1990 Gary Shapiro Memorial Distinguished Lecture, Museum of Florida History, Tallahassee.

MEETING/CONFERENCE ACTIVITIES:

Paper Presentations:

Simon W. Hillson, Clark Spencer Larsen, Başak Boz, Lori Hager, and Christopher B. Ruff (2009) Bioarchaeology at Çatalhöyük: Health and Lifestyle in the Anatolian Neolithic. To be presented in symposium, "Çatalhöyük," organized by Ian Hodder, British Association for the Advancement of Science, Guildford, UK.

Clark Spencer Larsen (2009) Internationalizing Biological Anthropology. To be presented, "The Biological Anthropology of Modern Human Populations: World Histories, National Styles, and International Networks," Wenner Gren International Conference, organized by Ricardo Ventura Santos and Susan Lindee, Hacienda Temozón, Yucatán, Mexico.

Margaret J. Schoeninger, David Hurst Thomas, and Clark Spencer Larsen (2009) When Did Agriculture Come to St. Catherines Island?: New Stable Isotope Markers of Diet. To be presented, Society for American Archaeology, Atlanta, Georgia.

Richard H. Steckel, Clark Spencer Larsen, Charlotte Roberts, Phillip L. Walker, et al. (2009) The European Project: Introduction to Goals, Materials and Methods. To be presented in symposium, "Reconstructing Health and Disease in Europe: The Early Middle Ages through the Industrial Period,"

organized by R.H. Steckel, C.S. Larsen, C. Roberts, and P.L. Walker, American Association of Physical Anthropologists, Chicago, Illinois.

Rimantas Jankauskas, Charlotte Roberts, Richard H. Steckel, Clark Spencer Larsen, and Phillip L. Walker, et al. (2009) Contextual Dimensions of Health and Lifestyle: The Archaeological and Historical Record. To be presented in symposium, "Reconstructing Health and Disease in Europe: The Early Middle Ages through the Industrial Period," organized by R.H. Steckel, C.S. Larsen, C. Roberts, and P.L. Walker, American Association of Physical Anthropologists, Chicago, Illinois.

Richard H. Steckel, Anna Kjellström, Clark Spencer Larsen, and Phillip L. Walker, et al. (2009) Summary Measurement of Health and Wellbeing: The Health Index. To be presented in symposium, "Reconstructing Health and Disease in Europe: The Early Middle Ages through the Industrial Period," organized by R.H. Steckel, C.S. Larsen, C. Roberts, and P.L. Walker, American Association of Physical Anthropologists, Chicago, Illinois.

Gisela Grupe, George McGlynn, Richard H. Steckel, Clark Spencer Larsen, and Phillip L. Walker, et al. (2009) Dietary Reconstruction and Nutritional Inference. To be presented in symposium, "Reconstructing Health and Disease in Europe: The Early Middle Ages through the Industrial Period," organized by R.H. Steckel, C.S. Larsen, C. Roberts, and P.L. Walker, American Association of Physical Anthropologists, Chicago, Illinois.

Ursula Wittwer-Backofen, Alfredo Coppa, Richard H. Steckel, Clark Spencer Larsen, and Phillip L. Walker, et al. (2009) Oral Health: Dental Caries, Abscesses, Antemortem Tooth Loss. To be presented in symposium, "Reconstructing Health and Disease in Europe: The Early Middle Ages through the Industrial Period," organized by R.H. Steckel, C.S. Larsen, C. Roberts, and P.L. Walker, American Association of Physical Anthropologists, Chicago, Illinois.

Joël Blondiaux, Carina Marques, Richard H. Steckel, Clark Spencer Larsen, and Phillip L. Walker, et al. (2009) Nonspecific Indicators: Periostitis. To be presented in symposium, "Reconstructing Health and Disease in Europe: The Early Middle Ages through the Industrial Period," organized by R.H. Steckel, C.S. Larsen, C. Roberts, and P.L. Walker, American Association of Physical Anthropologists, Chicago, Illinois.

Charlotte Roberts, Tracy K. Betsinger, Richard H. Steckel, Clark Spencer Larsen, and Phillip L. Walker, et al. (2009) Specific Infectious Disease: Tuberculosis, Leprosy, and Treponematosi. To be presented in symposium, "Reconstructing Health and Disease in Europe: The Early Middle Ages through the Industrial Period," organized by R.H. Steckel, C.S. Larsen, C. Roberts, and P.L. Walker, American Association of Physical Anthropologists, Chicago, Illinois.

Megan Brickley, Tomasz Kozłowski, Richard H. Steckel, Clark Spencer Larsen, and Phillip L. Walker, et al. (2009) Socio-Culturally Mediated Disease: Rickets and Scurvy. To be presented in symposium, "Reconstructing Health and Disease in Europe: The Early Middle Ages through the Industrial Period," organized by R.H. Steckel, C.S. Larsen, C. Roberts, and P.L. Walker, American Association of Physical Anthropologists, Chicago, Illinois.

Maria Teschler-Nicola, Antonia Marcsik, Richard H. Steckel, Clark Spencer Larsen, and Phillip L. Walker, et al. (2009) Physiological Stress: Linear Enamel Hypoplasias. To be presented in symposium, "Reconstructing Health and Disease in Europe: The Early Middle Ages through the Industrial Period," organized by R.H. Steckel, C.S. Larsen, C. Roberts, and P.L. Walker, American Association of Physical Anthropologists, Chicago, Illinois.

Anastasia Papathanasiou, Phillip L. Walker, Richard H. Steckel, Clark Spencer Larsen, et al. (2009) Anemia and Related Conditions: Cribra Orbitalia and Porotic Hyperostosis. To be presented in symposium, "Reconstructing Health and Disease in Europe: The Early Middle Ages through the Industrial Period," organized by R.H. Steckel, C.S. Larsen, C. Roberts, and P.L. Walker, American Association of Physical Anthropologists, Chicago, Illinois.

George Maat, Richard H. Steckel, Clark Spencer Larsen, and Phillip L. Walker, et al. (2009) Body Size and Activity Inference: Femur Length and Midshaft Index. To be presented in symposium, "Reconstructing Health and Disease in Europe: The Early Middle Ages through the Industrial Period," organized by R.H. Steckel, C.S. Larsen, C. Roberts, and P.L. Walker, American Association of Physical Anthropologists, Chicago, Illinois.

Clark Spencer Larsen, Phillip L. Walker, et al. (2009) History of Degenerative Joint Disease in Europe: Inferences about Lifestyle and Activity. To be presented in symposium, "Reconstructing Health and Disease in Europe: The Early Middle Ages through the Industrial Period," organized by R.H. Steckel, C.S. Larsen, C. Roberts, and P.L. Walker, American Association of Physical Anthropologists, Chicago, Illinois.

Phillip L. Walker, Richard H. Steckel, Clark Spencer Larsen et al. (2009) Historical Patterns of Traumatic Injury and Violence in Europe. To be presented in symposium, "Reconstructing Health and Disease in Europe: The Early Middle Ages through the Industrial Period," organized by R.H. Steckel, C.S. Larsen, C. Roberts, and P.L. Walker, American Association of Physical Anthropologists, Chicago, Illinois.

Clark Spencer Larsen, Phillip L. Walker, et al. (2009) History of Degenerative Joint Disease in Europe: Inferences about Lifestyle and Activity. To be presented, "Reconstructing Health and Disease in Europe: The Early Middle Ages through the Industrial Period," organized by R.H. Steckel, C.S. Larsen, C. Roberts, and P.L. Walker, Global History of Health Conference, Douai, France.

Jessica A. Pearson, Douglas Baird, Clark Spencer Larsen, Simon W. Hillson, Louise Martin, Nerissa Russell, Katheryn C. Twiss, and Denise Carruthers (2008) Stable Isotope Approaches to Neolithic Diet on the Konya Plain: New Results from Çatalhöyük and Pinarbaşı, Turkey. Sixth International Congress on the Archaeology of the Ancient Near East, Rome, Italy.

Clark Spencer Larsen, Michael Schultz, Samuel Stout, and Ursula Wittwer-Backofen (2008) Reconstructing Health and Disease. Presented in "Reconstructing Health and Disease from Skeletal and Dental Biology: New Perspectives, New Insights," Wiley-Liss Symposium, American Association of Physical Anthropologists, organized M. Schultz, S.D. Stout, C.S. Larsen, and U. Wittwer-Backofen, Columbus, Ohio.

Bonnie Glencross, Sabrina C. Agarwal, Patrick Beauchesne, and Clark Spencer Larsen (2008) Bone Fracture Patterns and Cortical Bone Loss in an Anatolian Neolithic Population, American Association of Physical Anthropologists, Columbus, Ohio.

Clark Spencer Larsen, Simon W. Hillson, Başak Boz, Lori Hager, and Christopher B. Ruff (2008) Gender, Diet, and Mobility at Çatalhöyük: Health and Lifestyle in the Anatolian Neolithic. Presented in symposium, "Integrating Social Worlds at Çatalhöyük," organized by S. Love, Society for American Archaeology, Vancouver, British Columbia.

Clark Spencer Larsen (2007) Life after the Pleistocene: Health and Adaptation in a New and Dynamic World. Presented in symposium, "'Say What You Mean, and Mean What You Say':

Paleoanthropologists Honor Their Mentor,” organized by K. Rosenberg and D. W. Frayer, American Anthropological Association, Washington, DC.

Clark Spencer Larsen, Simon W. Hillson, Lori D. Hager, Başak Boz, Christopher B. Ruff, and Jessica A. Pearson (2007) Life Stresses at Çatalhöyük, a Neolithic Urban Community in Central Anatolia, Turkey. Presented in symposium, “Bioarchaeology of the Ancient Near East,” organized by M. Perry, American Schools of Oriental Research, San Diego, California.

Clark Spencer Larsen, Simon W. Hillson, Lori D. Hager, Başak Boz, Christopher B. Ruff, and Jessica A. Pearson (2007) Life Stresses at Çatalhöyük, a Neolithic Urban Community in Central Anatolia, Turkey. Invited plenary speaker, Gesellschaft für Anthropologie, Freiburg, Germany.

Clark Spencer Larsen, Simon W. Hillson, Lori D. Hager, Başak Boz, Christopher B. Ruff, and Jessica A. Pearson (2006) Life Stresses at Çatalhöyük, a Neolithic Urban Community in Central Anatolia. European Meeting of the Paleopathology Association, Santorini, Greece.

Christopher B. Ruff, Clark Spencer Larsen, Libby W. Cowgill, and Lori D. Hager (2006) Life in a Neolithic Community: Body Size and Activity Levels at Çatalhöyük, Turkey. American Association of Physical Anthropologists, Anchorage, Alaska.

Clark Spencer Larsen, Christopher B. Ruff, and Brian E. Hemphill (2005) Working Women: Reconstructing Activity from Skeletal Morphology in the Archaeological Past. Presented in symposium organized by C. Wasson and P. Stone, American Anthropological Association, Washington, DC.

Kimberly D. Williams and Clark Spencer Larsen (2005) A Geo-Spatial Perspective on Behavior and Activity in Late Prehistoric Eastern North America. American Association of Physical Anthropologists, Milwaukee, Wisconsin.

Clark Spencer Larsen (2005) Description, Hypothesis Testing, and Conceptual Advances in Physical Anthropology: Have We Moved On? Presented in symposium on the 75th anniversary of the founding of the American Association of Physical Anthropologists, organized by M. Little and K. Kennedy, American Association of Physical Anthropologists, Milwaukee, Wisconsin.

D. Guatelli-Steinberg, D.J. Reid, T. Bishop, and C.S. Larsen (2005) Perikymata Counts and Imbricational Formation Times in Neandertals and Recent Modern Humans. “Dental Perspectives on Human Evolution: State of the Art Research in Dental Anthropology” conference, organized by S. Bailey and A. Cleveland, Max Planck Institute for Evolutionary Anthropology, Leipzig, Germany.

Weiss, S., J. Boldsen, J. Buckberry, S. Doppler, J. Gampe, G. Grupe, G. Hotz, C.S. Larsen, A. Kemkes-Grottenthaler, D. Prince, J.W. Vaupel, and U. Wittwer-Backofen (2004) Age Estimation of Human Skeletal remains – A Comparison of Methods from Lauchheim, Germany. British Association of Biological Anthropology and Osteoarchaeology, Bristol, U.K.

Clark Spencer Larsen, Dale L. Hutchinson, Christopher M. Stojanowski, Matthew A. Williamson, Mark C. Griffin, Scott W. Simpson, Christopher B. Ruff, Margaret J. Schoeninger, Lynette Norr, and Mark F. Teaford, Elizabeth Monahan Driscoll, Christopher W. Schmidt, and Tiffany A. Tung (2004) Health and Lifestyle in Georgia and Florida: Agricultural Origins and Intensification in Regional Perspective. “Paleopathology at the Origins of Agriculture Revisited” conference, organized by M.N. Cohen, Clearwater, Florida.

J.M. Organ, M.F. Teaford, and C.S. Larsen (2004) Dental Microwear at Mission San Luis de Apalachee, Florida. American Association of Physical Anthropologists, Tampa, Florida.

S. Weise, J. Boldsen, J. Buckberry, S. Doppler, J. Gampe, G. Grupe, G. Hotz, C.S. Larsen, A. Kemkes-Grottenthaler, D. Prince, J.W. Vaupel, J. Wahl, and U. Wittwer-Backofen (2004) Age Estimation of Human Skeletal Remains – A Comparison of Methods from Lauchheim, Germany. American Association of Physical Anthropologists, Tampa, Florida.

Clark Spencer Larsen, Paul W. Sciulli, and Kimberly D. Williams (2004) Age and Death at Lauchheim: Cranial and Dental Indicators. Max Planck Institute for Demographic Research workshop, “The Basics of Paleodemography: Calibration of Age Indicators in the Early Medieval Skeletal Sample of Lauchheim,” organized by U. Wittwer-Backofen, J. Vaupel, J. Gampe, and S. Weise, Kapfenburg Castle, Lauchheim, Germany.

Clark Spencer Larsen (2003) Health History of Georgia and Florida Amerindians. Presented in symposium organized by R.H. Steckel, C.S. Larsen, P.L. Walker, and J.C. Rose, 15th International Congress of Anthropological and Ethnological Sciences, Florence, Italy.

Clark Spencer Larsen (2002) The Transition from Foraging to Farming and the Impact on Human Health: The Bioarchaeological Record. Presented at the “International Conference on Environmental Catastrophes and Recovery in the Holocene,” organized by S. Leroy, Brunel University, London, UK.

Clark Spencer Larsen (2002) Animal Source Foods and Human Health during Evolution. Presented in “International Conference on Animal Source Food for Nutrition in Developing Countries,” organized by Montague Demment and Lindsay Allen, University of California Center, Washington, D.C.

Clark Spencer Larsen (2001) Reconstructing Diet in the American Southeast: Bioarchaeological Perspectives on the Historic Period in Spanish Florida. In symposium organized by C. Polet, R. Noel, and M. Udrescu, 14th Congress of the International Union of Prehistoric and Protohistoric Sciences, Liège, Belgium.

Clark Spencer Larsen (2001) Degenerative Joint Disease and Skeletal Robusticity. Paper presented in “Workshop: Skeletal Biology, Health, and Economic Development in Europe from the Late Paleolithic to the Nineteenth Century,” organized by R.H. Steckel, C.S. Larsen, P.L. Walker, and P.W. Sciulli, Ohio State University, Columbus.

Clark Spencer Larsen, Margaret J. Schoeninger, Christopher B. Ruff, Mark F. Teaford, and Dale L. Hutchinson (2001) Going Coastal in the American Southeast: The Case of the Georgia Bight. Paper presented in symposium organized by D.L. Hutchinson, Society for American Archaeology, New Orleans, Louisiana.

Clark Spencer Larsen and Phillip L. Walker (2001) The Ethics of Bioarchaeology. Paper presented in symposium organized by T. Turner, American Association of Physical Anthropologists, Kansas City, Missouri.

Clark Spencer Larsen, Richard H. Steckel, Jerome C. Rose, and Phillip L. Walker (2000) Variation in Health in the Western Hemisphere: 4000 B.C. to the Present. Paper presented in symposium on bioarchaeology and paleopathology, Gesellschaft für Anthropologie, Potsdam, Germany.

Clark Spencer Larsen (2000) Biomechanical Adaptation to Changing Activity Patterns in North America. Paper presented in workshop, "Palaeoepidemiological Studies and Methods," organized by L. Warner Poulsen and J.L. Boldsen, University of Southern Denmark, Odense, Denmark.

Clark Spencer Larsen, Christopher B. Ruff, Dale L. Hutchinson, and Margaret J. Schoeninger (2000) Relationship of Diet and Activity in Spanish Florida: Isotopic and Structural Concordance. Paper presented in symposium organized by C.S. Larsen and M. Schultz, American Association of Physical Anthropologists, San Antonio, Texas.

Mark F. Teaford, Clark Spencer Larsen, and Dale L. Hutchinson (2000) Tooth Use and Microwear in Prehistoric North America: The Perspective from Scanning Electron Microscopy. Paper presented in symposium organized by C.S. Larsen and M. Schultz, American Association of Physical Anthropologists, San Antonio, Texas.

Clark Spencer Larsen (2000) The Biological Anthropology of Race. Paper presented in Mellon-Sawyer Seminar, "The Concept and Consequences of Race: Cross-National and Cross-Disciplinary Perspectives," organized by W. Darity, University of North Carolina, Chapel Hill.

Clark Spencer Larsen, Michael Schultz, Tyede H. Schmidt-Schultz, and Patricia M. Lambert (1999) Infant Diseases in Pre-Columbian North American Southeast: the Late Woodland and Mississippian Populations from the Piedmont of Virginia and North Carolina. Paper presented in symposium organized by M. Schultz, American Association of Physical Anthropologists, Columbus, Ohio.

Tiffany Tung, Clark Spencer Larsen, and Bonnie G. McEwan (1998) Bioarchaeology of Mission San Luis de Talimali. Paper presented in symposium organized by L.A. Beck, Southeastern Archaeological Conference, Greenville, South Carolina.

Clark Spencer Larsen (1998) Patterns of Disease in the American Southeast: Paleoepidemiology of Prehistoric and Historic Amerindians from the Georgia Bight. Invited plenary paper presented in symposium on historical epidemiology, Gesellschaft für Anthropologie, Göttingen, Germany.

Clark Spencer Larsen (1998) Post-Pleistocene Human Evolution: Bioarchaeology of the Agricultural Transition. Paper presented in symposium organized by P. Ungar and M.F. Teaford, 14th International Congress of Anthropological and Ethnological Sciences, Williamsburg, Virginia.

Clark Spencer Larsen (1998) Tracking the History of Health and Behavior in the Georgia Bight: Bioarchaeological Approaches to Global History. Paper presented in plenary seminar, "Work, Markets, Environment and Health in the Longue Duree," for conference, "History for a Global Age," organized by K. Pomeranz, University of California, Irvine.

Clark Spencer Larsen, Alfred W. Crosby, Mark C. Griffin, Dale L. Hutchinson, Christopher B. Ruff, Katherine F. Russell, Margaret J. Schoeninger, Leslie E. Sering, Scott W. Simpson, Jeffrey L. Takács, and Mark F. Teaford (1998) A Biohistory of the Georgia Bight: Precontact Adaptive Shifts and Postcontact Population Collapse. Paper presented in symposium organized by R.H. Steckel and J.C. Rose, American Association of Physical Anthropologists, Salt Lake City, Utah.

Dale L. Hutchinson, Clark Spencer Larsen, Matthew Williamson, and Victoria D. Green (1998) Temporal and Spatial Variation in the Patterns of Treponematosi in La Florida. Paper presented in symposium organized by M.L. Powell and D.C. Cook, American Association of Physical Anthropologists, Salt Lake City, Utah.

Clark Spencer Larsen, Alfred W. Crosby, Mark C. Griffin, Dale L. Hutchinson, Christopher B. Ruff, Katherine F. Russell, Margaret J. Schoeninger, Leslie E. Sering, Scott W. Simpson, Jeffry L. Takács, and Mark F. Teaford (1997) A Biohistory of Health and Behavior in the Georgia Bight: Interfacing Economics and Human Biology. Paper presented in symposium organized by R.H. Steckel, P.W. Sciuilli, and J.C. Rose, Economic History Association, New Brunswick, New Jersey.

Clark Spencer Larsen (1997) Establishing the Context for Bioarchaeological Research in Spanish Florida. Paper presented in symposium organized by C.S. Larsen, American Association of Physical Anthropologists, St. Louis, Missouri.

Clark Spencer Larsen, Margaret J. Schoeninger, and Dale L. Hutchinson (1997) Dietary Change in La Florida: Regional Convergence of Subsistence Patterns. Paper presented in symposium organized by C.S. Larsen, American Association of Physical Anthropologists, St. Louis, Missouri.

Michael Schultz and Clark Spencer Larsen (1997) Porotic Hyperostosis in Spanish Florida: Nature and Etiology of a Frequently Observed Phenomenon. Paper presented in symposium organized by C.S. Larsen, American Association of Physical Anthropologists, St. Louis, Missouri.

Dale L. Hutchinson, Clark Spencer Larsen, Lynette Norr, and Margaret J. Schoeninger (1996) Agricultural Melodies and Alternative Harmonies in Florida and Georgia. Paper presented in symposium organized by P.M. Lambert, American Association of Physical Anthropologists, Research Triangle Park, North Carolina.

Leslie E. Sering and Clark Spencer Larsen (1996) Temporal Trends in Iron Status in Native Populations from the Georgia Bight. Paper presented in symposium organized by P.M. Lambert, American Association of Physical Anthropologists, Research Triangle Park, North Carolina.

Clark Spencer Larsen, James H. Burton, Alfred W. Crosby, Joseph A. Ezzo, Mark C. Griffin, Dawn E. Harn, Dale L. Hutchinson, Christopher B. Ruff, Katherine F. Russell, Margaret J. Schoeninger, Leslie E. Sering, Scott W. Simpson, Jeffry L. Takács, Mark F. Teaford, and Nikolaas J. van der Merwe (1996) A Biohistory of Health and Behavior in the Georgia Bight. Paper presented at second conference, "History of Health and Nutrition in the Western Hemisphere," organized by R.H. Steckel, J.C. Rose, and P.W. Sciuilli, Ohio State University, Columbus.

Bonnie G. McEwan and Clark Spencer Larsen (1996) Archaeological Investigations in the Church at San Luis. Contributed paper, Society for Historical Archaeology, Cincinnati, Ohio.

Clark Spencer Larsen (1995) Gender, Subsistence Behavior, and Health in Foragers and Farmers in the Southeastern U.S. Paper presented in symposium organized by A. Grauer and P. Stuart-Macadam, American Association of Physical Anthropologists, Oakland, California.

George R. Milner, Clark Spencer Larsen, Dale L. Hutchinson, and Matthew Williamson (1994) Conquistadors, Excavators, or Rodents? Paper presented in symposium organized by D.J. Hally, Southeastern Archaeological Conference, Lexington, Kentucky.

Clark Spencer Larsen and Dale L. Hutchinson (1994) Osteopathology of Hunter-Gatherers from the Carson Desert: Reconstructing Prehistoric Lifeways in the Western Great Basin. Paper presented in symposium organized by B.E. Hemphill and C.S. Larsen, Society for American Archaeology, Anaheim, California.

Dale L. Hutchinson, Clark Spencer Larsen, and Inui Choi (1994) Stressed to the Max': Physiological Perturbation in the Krapina Neandertals. Contributed paper, American Association of Physical Anthropologists, Denver, Colorado.

Clark Spencer Larsen and Hong P. Huynh (1993) Death by Gunshot: Biocultural Implications of Trauma at Mission San Luis. Paper presented in symposium organized by D.L. Hutchinson and L.E. Eisenberg, Southeastern Archaeological Conference, Raleigh, North Carolina.

Hong P. Huynh, Clark Spencer Larsen, and Bonnie G. McEwan (1993) Preliminary Bioarchaeological Research at San Luis de Talimali. Contributed paper, Southeastern Archaeological Conference, Raleigh, North Carolina.

Clark Spencer Larsen (1993) Skeletal Robusticity as an Index of Health and Nutrition. Paper presented at first conference, "History of Health and Nutrition in the Western Hemisphere," Ohio State University, Columbus, organized by R.H. Steckel, J.C. Rose, and P.W. Sciulli.

Clark Spencer Larsen (1992) Transitions in Health, Diet, and Behavior: The Perspective from Spanish Colonial Florida, 1565-1702. Paper presented in symposium organized by C.S. Larsen, Chacmool Conference--The Archaeology of Contact: Processes and Consequences, University of Calgary, Alberta.

Joseph Craig and Clark Spencer Larsen (1992) Preliminary Results of Historical and Archaeological Investigations at the Cross Cemetery, Sangamon County, Illinois. Contributed paper, Midwest Archaeological Conference, Grand Rapids, Michigan.

Clark Spencer Larsen, Margaret J. Schoeninger, Christopher B. Ruff, Katherine F. Russell, Dale L. Hutchinson, and Dawn E. Harn (1992) The Stresses of Conquest in Spanish Florida. Paper presented in symposium organized by C.S. Larsen and George R. Milner, American Association of Physical Anthropologists, Las Vegas, Nevada.

George R. Milner and Clark Spencer Larsen (1992) Bioanthropological Perspectives on the Post-Columbian Transition. Paper presented in symposium organized by C.S. Larsen and George R. Milner, American Association of Physical Anthropologists, Las Vegas, Nevada.

M.K. Sandford, L. Sappelsa, D.S. Weaver, C.S. Larsen, K.F. Russell, and E. Righter (1992) Paleopathology of Human Skeletal Material from the Tutu Site, St. Thomas: A Preliminary Report. Contributed paper, Paleopathology Association, Las Vegas, Nevada.

Clark Spencer Larsen and Dawn E. Harn (1992) Nutrition, Infection, and Health Status in the Prehistoric-Historic Transition. Paper presented in "Paleonutrition: the Diet and Health of Prehistoric Americans" symposium, organized by Kristin D. Sobolik, Visiting Scholar in Archaeology Program, Center for Archaeological Investigations, Southern Illinois University, Carbondale.

Dawn E. Harn and Clark Spencer Larsen (1991) Nutritional Implications of Infectious Disease in Precontact and Contact Era Populations from Northern Spanish Florida. Paper presented in symposium organized by Joseph A. Ezzo, Society for American Archaeology, New Orleans, Louisiana.

Clark Spencer Larsen, Christopher B. Ruff, and Robert L. Kelly (1991) Skeletal Structural Adaptations in Prehistoric Western Great Basin Hunter-Gatherers. Contributed paper, American Association of Physical Anthropologists, Milwaukee, Wisconsin.

Clark Spencer Larsen (1990) Evidence of Dietary Disease in Prehistory: Toward a Biobehavioral Ecology of Past Human Populations. Paper presented in symposium organized by George J. Armelagos and Patricia Draper, 6th International Conference on Hunting and Gathering Societies, Fairbanks, Alaska.

Clark Spencer Larsen, Christopher B. Ruff, and Mark C. Griffin (1990) Behavioral Adaptations at Contact: Biomechanical and Pathological Evidence from the Southeastern Borderlands. Paper presented in symposium organized by Brenda J. Baker and Lisa Kealhofer, American Association of Physical Anthropologists, Miami, Florida.

Clark Spencer Larsen (1990) The Role of Bioarchaeology in Contact Era Studies: Perspectives from the Eastern Spanish Borderlands. Paper presented in symposium organized by Gloria A. Young, "The De Soto Expedition in Caddo," The University Museum, University of Arkansas, Fayetteville.

Clark Spencer Larsen (1989) Population Decline and Extinction in La Florida. Paper presented in Smithsonian Columbus Quincentenary Program symposium, "Disease and Demography in the Americas: Changing Patterns Before and After 1492," organized by Douglas H. Ubelaker and John W. Verano, Smithsonian Institution, Washington, D.C.

Clark Spencer Larsen, Margaret J. Schoeninger, Katherine F. Russell, and Dale L. Hutchinson (1989) Beyond Demographic Collapse: Biological Adaptation and Change in Native Populations of La Florida. Paper presented in symposium organized by David Hurst Thomas, Society for American Archaeology, Atlanta, Georgia.

Clark Spencer Larsen and Katherine F. Russell (1989) Patterns in Mortality at Contact: Paleodemography of Mission Santa Catalina de Guale de Santa Maria. Contributed paper, American Association of Physical Anthropologists, San Diego, California.

Susan Simmons, Clark Spencer Larsen, Katherine F. Russell (1989) Demographic Interpretations from Ossuary Remains during the Late Contact Period in Northern Spanish Florida. Paper presented in symposium organized by K.J. Reichs and V.A. Haskins, American Association of Physical Anthropologists, San Diego, California.

Clark Spencer Larsen (1988) Dietary and Demographic Transitions: The Case from St. Catherines Island, Georgia, U.S.A. Paper presented in symposium organized by A.B. Chiarelli and D.H. Ubelaker, 12th International Congress of Anthropological and Ethnological Sciences, Zagreb, Croatia.

Clark Spencer Larsen and Rebecca Shavit (1988) Dental Evidence for Change in Lifeway Quality: A Case Study from Spanish Florida. Paper presented in symposium organized by Marc A. Kelley, American Association of Physical Anthropologists, Kansas City, Missouri.

Clark Spencer Larsen and Rebecca Saunders (1987) The Santa Catalina de Guale (Amelia Island) Cemeteries. Paper presented in symposium organized by Kenneth Johnson, Southeastern Archaeological Conference, Charleston, South Carolina.

Clark Spencer Larsen (1987) Bioarchaeological Interpretation and Early Contact Populations on St. Catherines Island, Georgia. Paper presented in symposium organized by C.S. Larsen, American Association of Physical Anthropologists, New York City, New York.

Clark Spencer Larsen (1987) Health and Disease in Spanish Florida. Paper presented in "The Provinces of Florida: Defining a Spanish-Indian Society in Colonial North America" symposium organized by Amy

Turner Bushnell, Program in Atlantic History, Culture and Society, The Johns Hopkins University, Baltimore, Maryland.

Clark Spencer Larsen (1987) Stress and Adaptation at Santa Catalina de Guale: Analysis of Human Remains. Paper presented in symposium organized by Gary Shapiro, Society for Historical Archaeology, Savannah, Georgia.

Eugene M. Hatori, Clark Spencer Larsen, Dale L. Hutchinson, and Lynda Armentrout (1986) A Historic Infant Burial from Hawthorne, Nevada. Contributed paper, Great Basin Anthropological Conference, Las Vegas, Nevada.

Scott W. Simpson, Dale L. Hutchinson, and Clark Spencer Larsen (1986) Stress and Survivorship at European Contact on the Georgia Coast. Paper presented in symposium organized by M. Cassandra Hill and Della Collins Cook, American Association of Physical Anthropologists and Paleopathology Association, Albuquerque, New Mexico.

Clark Spencer Larsen (1985) Agriculture, Resource Stress, and the Decline of Health on the Prehistoric Georgia Coast. Paper presented in symposium organized by Norman Sullivan, American Anthropological Association, Washington, D.C.

Dale L. Hutchinson and Clark Spencer Larsen (1985) Biological Stress and Early European Contact on St. Catherines Island, Georgia. Paper presented in symposium organized by Della Collins Cook, American Anthropological Association, Washington, D.C.

Clark Spencer Larsen and Christopher B. Ruff (1985) Behavioral Approaches to the Study of Human Remains from the Georgia Coast. Paper presented in symposium organized by Mary Lucas Powell, Southeastern Archaeological Conference, Birmingham, Alabama.

Clark Spencer Larsen (1984) Anterior Dental Grooving in the Prehistoric Great Basin: Implications for Lifeway. Contributed paper, American Association of Physical Anthropologists, Philadelphia, Pennsylvania.

Clark Spencer Larsen (1983) Populations in Transition: The Bioarchaeology of St. Catherines Island. Paper presented in symposium organized by David Hurst Thomas, Southeastern Archaeological Conference, Columbia, South Carolina.

David Hurst Thomas and Clark Spencer Larsen (1983) Observations on the Discovery and Testing of Santa Catalina de Guale. Paper presented in symposium organized by Elizabeth J. Reitz, Southeastern Archaeological Conference, Columbia, South Carolina.

Clark Spencer Larsen (1983) Subsistence Role Behavior and the Infectious Disease Experience on the Prehistoric Georgia Coast. Paper presented in symposium organized by Debra L. Martin, American Association of Physical Anthropologists, Indianapolis, Indiana.

Christopher B. Ruff, Clark Spencer Larsen, and Wilson C. Hayes (1983) Changes in Femoral Structure with the Transition to Agriculture on the Georgia Coast. Contributed paper, American Association of Physical Anthropologists, Indianapolis, Indiana.

Clark Spencer Larsen (1982) The Impact of Agriculture on Georgia Coastal Prehistoric Populations: A Study of Health and Disease. Presented at conference, "Paleopathology and Socioeconomic Change at the Origins of Agriculture," sponsored by the Wenner-Gren Foundation for Anthropological Research and

the State University of New York College at Plattsburgh, organized by Mark Nathan Cohen and George J. Armelagos.

Clark Spencer Larsen (1981) Behavioral Implications of Temporal Change in Cariogenesis. Contributed paper, American Association of Physical Anthropologists, Detroit, Michigan.

Clark Spencer Larsen (1980) Skeletal Responses to Mechanical Stress with Change in Dietary Adaptation on the Prehistoric Georgia Coast. Paper presented in symposium organized by Christopher B. Ruff, American Association of Physical Anthropologists, Niagara Falls, New York.

Clark Spencer Larsen (1979) Analysis of Human Skeletal Materials from the Georgia Coast: Relationship between Dietary Adaptation and Health. Paper presented in "Conference on Archaeology of Coastal Georgia, South Carolina, and Eastern Florida," in symposium organized by David Hurst Thomas, Society for Georgia Archaeology, Savannah, Georgia.

Poster Presentations:

M.A. Pilloud and C.S. Larsen (2007) Biological Distance Analysis of Households at Neolithic Çatalhöyük, Turkey. American Association of Physical Anthropologists, Philadelphia, Pennsylvania.

K.D. Williams, C.S. Larsen, P.S. Sciulli, K.R. Gremillion, and D.S. Munroe (2007) Geospatial Bioarchaeology and Population Patterns of Activity. American Association of Physical Anthropologists, Philadelphia, Pennsylvania.

B. Glencross, S. Agarwal, and C.S. Larsen (2007) Trauma Risk in the Neolithic Community at Catalhoyuk, Turkey. American Association of Physical Anthropologists, Philadelphia, Pennsylvania.

D.H. Temple and C.S. Larsen (2007) Dental Caries, Dietary Variation, and Behavior among the Prehistoric Yayoi, Japan. American Association of Physical Anthropologists, Philadelphia, Pennsylvania.

S. Weise, J. Boldsen, J. Buckberry, S. Doppler, J. Gampe, G. Grupe, G. Hotz, C.S. Larsen, A. Kemkes-Grottenthaler, D. Prince, J.W. Vaupel, and U. Wittwer-Backofen (2003) Altersbestimmungen am Skelett – ein Methodenvergleich. Gesellschaft für Anthropologie, Potsdam, Germany.

Richard H. Steckel, Phillip L. Walker, Clark Spencer Larsen, and Paul W. Sciulli (2003) The History of European Health Project: Documenting the History of Health in Europe from the Late Paleolithic Era to the Present. "Anthropology and Society," International Memorial Congress to Aleš Hrdlička, Prague, Czech Republic.

Clark Spencer Larsen and Kimberly D. Williams (2003) History of Behavior and Lifestyle in the Western Hemisphere: Osteoarthritis and Skeletal Robusticity. American Association of Physical Anthropologists, Tempe, Arizona.

Christopher W. Schmidt and Clark Spencer Larsen (2002) Demographic and Health Reconstruction of the Santa Catalina de Guale Ossuary, Amelia Island, Florida. American Association of Physical Anthropologists, Buffalo, New York.

Phillip L. Walker, Richard H. Steckel, Clark Spencer Larsen, and Paul W. Sciulli (2001) A Global History of Health. Archaeological Institute of America, San Diego, California.

Anastasia Papathanasiou, Clark Spencer Larsen, and Lynette Norr (1995) A Bioarchaeological Analysis of a Neolithic Ossuary from Alepotrypa Cave, Diros, Greece. American Association of Physical Anthropologists, Oakland, California.

Matthew A. Williamson, Leslie E. Sering, and Clark Spencer Larsen (1994) Bioassay and Analysis of the University of Georgia Archaeological Human Remains Collection. American Association of Physical Anthropologists, Denver, Colorado.

Leslie E. Sering and Clark Spencer Larsen (1993) Metopism in a Euroamerican Pioneer Skeletal Series from Central Illinois. American Association of Physical Anthropologists, Toronto, Canada.

Leslie E. Sering and Clark Spencer Larsen (1992) Iron Deficiency Anemia in Contact-Era Populations from Spanish Florida. American Association of Physical Anthropologists, Las Vegas, Nevada.

Christopher B. Ruff, Erik Trinkaus, Alan Walker, and Clark Spencer Larsen (1992) Postcranial Robusticity in *Homo*. American Association of Physical Anthropologists, Las Vegas, Nevada.

Mark C. Griffin and Clark Spencer Larsen (1989) Patterns in Osteoarthritis: A Case Study from the Prehistoric and Historic Southeastern U.S. Atlantic Coast. American Association of Physical Anthropologists, San Diego, California.

Organized Symposia:

Richard H. Steckel, Clark Spencer Larsen, Charlotte Roberts, and Phillip L. Walker (2009) Reconstructing Health and Disease in Europe: The Early Middle Ages through the Industrial Period. American Association of Physical Anthropologists, Chicago, Illinois.

Michael Schultz, Samuel D. Stout, Clark Spencer Larsen, and Ursula Wittwer-Backofen (2008) Reconstructing Health and Disease from Skeletal and Dental Biology: New Perspectives, New Insights. Annual Wiley-Liss Symposium, American Association of Physical Anthropologists (co-sponsored with Gesellschaft für Anthropologie), Columbus, Ohio.

Richard Steckel, Clark Spencer Larsen, Phillip L. Walker, and Jerome C. Rose (2003) The Backbone of History: Skeletal Health in the Western Hemisphere. 15th International Congress of Anthropological and Ethnological Sciences, Florence, Italy.

Karen Christiansen, Michael Schultz, and Clark Spencer Larsen (2000) Reproductive Biology. Gesellschaft für Anthropologie, Potsdam, Germany.

Clark Spencer Larsen and Michael Schultz (2000) Old and New World Perspectives on Bioarchaeology. American Association of Physical Anthropologists, San Antonio, Texas.

Clark Spencer Larsen (1997) Bioarchaeology in Northern Frontier New Spain: The Case of La Florida. American Association of Physical Anthropologists, St. Louis, Missouri.

Brian E. Hemphill and Clark Spencer Larsen (1994) Great Basin Bioarchaeology: Wetlands Adaptations. Society for American Archaeology, Anaheim, California.

Clark Spencer Larsen (1992) Bioarchaeological Approaches to the Study of Contact. Chacmool Conference--The Archaeology of Contact: Processes and Consequences, University of Calgary, Alberta, Canada.

Clark Spencer Larsen and George R. Milner (1992) *The Frontiers of Biocultural Adaptation: A Columbian Quincentenary Symposium*. American Association of Physical Anthropologists, Las Vegas, Nevada.

Clark Spencer Larsen (1987) *Postcontact Biocultural Adaptation of Native American Populations on St. Catherines Island, Georgia*. American Association of Physical Anthropologists, New York City, New York.

Other Meeting/Conference Activities

2008 Discussant, “Consolidating Twenty Years of Bioarchaeology Inquiry: An Emerging Regional Picture” symposium, organized by M.O. Smith and T.K. Betsinger, American Association of Physical Anthropologists, Columbus, Ohio.

2006-08 Chair, Local Arrangements Committee, 2008 American Association of Physical Anthropologists meetings, Columbus, Ohio.

2007 Discussant, “Biological Variation and Evolutionary Dynamics in Ancient Populations of the Americas” symposium, organized by K. Weinstein and B. Auerbach, American Association of Physical Anthropologists, Philadelphia.

2007 Discussant, “Bioarchaeological Perspectives on Migration and Human Health in Ancient East Asia” symposium, organized by E. Pechenkina and J. Eng, American Association of Physical Anthropologists, Philadelphia.

2006 Member, Scientific Committee, European Paleopathology Association, Santorini, Greece.

2006 Chair and Discussant, Physical Anthropology session, “The Evolution of Hominid Diets: Integrating Approaches to the Study of Subsistence in the Paleolithic,” organized by M. Richards and J.-J. Hublin, Max Planck Institute for Evolutionary Anthropology, Leipzig, Germany.

2006 Discussant, “Pre-Contact Forager Adaptations to Northwest Coastal Alaska: The Bioarchaeology of Point Hope” symposium, organized by C. Hilton, D. Guatelli-Steinberg, and K. Mowbray, American Association of Physical Anthropologists, Anchorage, Alaska.

2006 Discussant, “Genetic Perspectives on Human Evolution and Prehistory” symposium, organized by D.H. O’Rourke, American Association of Physical Anthropologists, Anchorage, Alaska.

2004 Member, Organizing Committee, International Association of Physiological Anthropologists, Columbus, Ohio.

2003 Chair, Skeletal Biology poster session, American Association of Physical Anthropologists, Tempe, Arizona.

2002 Chair, Health Impacts session, “International Conference on Environmental Catastrophes and Recoveries in the Holocene,” Brunel University, London, England.

1999 Discussant, “Contact Dynamics in the Mid-Atlantic and Northeast: A Bioarchaeological Perspective” symposium, organized by E. Miller, C.M. Gagnon, and B.J. Baker, American Association of Physical Anthropologists, Columbus, Ohio.

1996-98 Chair, Scientific Program Committee, American Association of Physical Anthropologists, St. Louis, Missouri (1997 meetings), Salt Lake City, Utah (1998 meetings).

1994-96 Co-sponsor (Duke University and University of North Carolina, Chapel Hill) and member of Local Arrangements Committee for 1996 meetings of the American Association of Physical Anthropologists, Research Triangle Park, North Carolina.

1993-96 Member, Scientific Program Committee, American Association of Physical Anthropologists, Denver, Colorado (1994 meetings), Oakland, California (1995 meetings), and Research Triangle Park, North Carolina (1996 meetings).

1992 Discussant, Skeletal Biology (contributed) poster session. American Association of Physical Anthropologists, Las Vegas, Nevada.

1990 Discussant, "The De Soto Expedition in Caddo" symposium, sponsored by the National Endowment for the Humanities and The University Museum, University of Arkansas, Fayetteville.

1987 Chair, Human Remains Roundtable, Society for Historical Archaeology, Savannah, Georgia.

1985 Chair, Biological Anthropology session (contributed papers). Central States Anthropological Society, Chicago, Illinois.

1984 Chair, Dental Anthropology session (contributed papers). American Association of Physical Anthropologists, Philadelphia, Pennsylvania.

WORKSHOPS ORGANIZED:

2009 (with Richard H. Steckel, Clark Spencer Larsen, Charlotte Roberts, and Phillip L. Walker) Analysis of European History of Health Project. Douai, France.

2007 (with Richard H. Steckel, Phillip L. Walker, and Paul W. Sciulli) Planning Workshop for Global History of Health in Africa, Asia, and the Pacific. Ohio State University, Columbus.

2007 (with Richard H. Steckel, Phillip L. Walker, and Paul W. Sciulli) Coding and Analysis for the European History of Health Project. University of Athens, Greece.

2006 (with Richard H. Steckel, Phillip L. Walker, and Paul W. Sciulli) Coding and Analysis for the European History of Health Project. University of La Sapienza, Rome, Italy.

2001 (with Richard H. Steckel, Phillip L. Walker, and Paul W. Sciulli) Skeletal Biology, Health, and Economic Development in Europe from the Late Paleolithic to the Nineteenth Century. Ohio State University, Columbus.

1993 (with Neal A. Haskell and Matthew A. Williamson) Death Scene Investigation: A Forensic Entomology and Anthropology Field Training Workshop (certified by Indiana Law Enforcement Training Board). Jasper County Sheriff's Department, Rensselaer, Indiana.

DISSERTATIONS DIRECTED:

- 2009 B. Scott Aubry: *Population Structure and Interregional Interaction in Prehispanic Mesoamerica: A Regional Biodistance Study*. Ohio State University, Columbus.
- 2008 Haagen D. Klaus: *Out of the Light came Darkness: Bioarchaeology of Mortuary Ritual, Biological Stress, and Ethnogenesis in the Lambayeque Valley Complex, North Coast of Peru (AD 900-1750)*. Ohio State University, Columbus.
- 2007 James H. Gosman: *Patterns of Ontogeny of Human Trabecular Bone from Sunwatch Village in the Prehistoric Ohio Valley*. Ohio State University, Columbus.
- 2007 Tracy K. Betsinger: *The Biological Consequences of Urbanization in Medieval Poland*. Ohio State University, Columbus.
- 2007 Daniel L. Temple: *Human Biological Variation during the Agricultural Transition in Prehistoric Japan*. Ohio State University, Columbus.
- 2006 Celeste M. Gagnon: *Daily Life and the Development of the State in the Moche Valley of North Coastal Perú: A Bioarchaeological Analysis*. University of North Carolina, Chapel Hill.
- 2005 Kimberly D. Williams: *A Geospatial Bioarchaeological Perspective on Behavior, Lifestyle, and Activity Patterns in the Eastern Woodlands of North America*. Ohio State University, Columbus.
- 2003 Tiffany A. Tung: *A Bioarchaeological Perspective on Wari Imperialism in the Andes of Perú: A View from the Heartland and Hinterland Skeletal Populations*. University of North Carolina, Chapel Hill.
- 2003 Ann Kakaliouras: *Biodistance in Eastern North Carolina: Population Structure in the Late Prehistoric Era*. University of North Carolina, Chapel Hill.
- 2001 Elizabeth Monahan Driscoll: *Mortuary Patterning, Bioarchaeology, and Social Organization at Town Creek*. University of North Carolina, Chapel Hill.
- 1998 Matthew A. Williamson: *Regional Variation in Health and Lifeways among Late Prehistoric Georgia Agriculturalists*. Purdue University, West Lafayette, Indiana.
- 1993 Mark C. Griffin: *Morphological Variation of the Late Precontact and Contact Period Guale*. Purdue University, West Lafayette, Indiana.

EXTERNAL PH.D. DISSERTATION COMMITTEE MEMBER:

- 2007 Louise J. Friedling: *Grave Tales: An Osteological Assessment of Health and Lifestyle from 18th and 19th Century Burial Sites around Cape Town*. Ph.D. dissertation, University of Cape Town, South Africa.
- 2000 Marc Oxenham: *Health and Behaviour during the Mid-Holocene and Metal Period of Northern Viet Nam*. Ph.D. dissertation, Northern Territory University, Darwin, NWT, Australia.
- 1999 Anastasia Papathanasiou: *A Bioarchaeological Analysis of Health, Subsistence, and Funerary Behavior in the Eastern Mediterranean Basin: A Case Study from Alepotrypa Cave, Greece*. Ph.D. dissertation, University of Iowa, Iowa City.

- 1998 David A. Barondess: *Anthropometric and Biomechanical Assessment of Skeletal Structural Adaptations in Bioarchaeological Populations from Michigan and Western New York*. Ph.D. dissertation, Michigan State University, East Lansing.
- 1995 Elizabeth Miller: *Refuse to be Ill: European Contact and Aboriginal Health in Northeastern Nebraska*. Ph.D. dissertation, Arizona State University, Tempe.
- 1991 Dale L. Hutchinson: *Postcontact Native American Health and Adaptation: Assessing the Impact of Introduced Diseases in Sixteenth-Century Gulf Coast Florida*. Ph.D. dissertation, University of Illinois, Urbana-Champaign.

POSTDOCTORAL FELLOW SUPERVISION:

- 2007-08 Tracy K. Betsinger: *Global History of Health*. Ohio State University, Columbus.
- 1994-96 Patricia M. Lambert: *Bioarchaeology of North Carolina: Health, Disease, and Behavior*. University of North Carolina, Chapel Hill.

INVITED LECTURES:

- 2008 Indiana University Purdue University at Indianapolis.
- 2008 University of Notre Dame, South Bend, Indiana.
- 2008 A.T. Still University, Kirksville, Missouri.
- 2008 Truman State University, Kirksville, Missouri.
- 2007 Case Western Reserve University, Cleveland, Ohio.
- 2007 Western Washington University, Bellingham.
- 2007 Michigan Technological University, Houghton.
- 2007 University of Pittsburgh.
- 2007 Iowa State University, Ames.
- 2006 Eastern New Mexico University, Portales.
- 2006 University of New Mexico, Albuquerque.
- 2006 Lawrence University, Appleton, Wisconsin.
- 2006 University of Wisconsin, Fox Valley.
- 2006 Towson University, Towson, Maryland.
- 2006 Miami University, Miami, Ohio.
- 2005 University of Notre Dame, South Bend, Indiana.
- 2004 Oberlin College, Oberlin, Ohio.
- 2004 Max Planck Institute for Demographic Research, Rostock, Germany.
- 2003 College of Wooster, Wooster, Ohio.
- 2002 Kansas State University, Manhattan.
- 2002 University of Michigan, Ann Arbor.
- 2001 Ohio State University, Columbus.
- 2001 East Carolina University, Greenville, North Carolina.
- 2001 Duke University Medical Center, Durham, North Carolina.
- 2000 University of Manitoba, Winnipeg.
- 1999 University of California, Davis.
- 1999 University of California, Santa Barbara.
- 1999 University of California, Berkeley.
- 1998 University of Odense, Denmark.
- 1998 Michigan State University, East Lansing, Michigan.
- 1998 East Carolina University, Greenville, North Carolina.

- 1996 Washington University, St. Louis, Missouri.
 1995 North Carolina Society of the Archaeological Institute of America, Chapel Hill.
 1995 University of Texas, Austin.
 1994 University of Delaware, Newark.
 1994 Harvard University, Cambridge, Massachusetts.
 1993 University of North Carolina, Greensboro.
 1993 University of Tennessee, Knoxville.
 1993 Irma Honigmann Memorial Lecture, Shared Learning Group, Chapel Hill, North Carolina.
 1993 University of North Carolina, Chapel Hill.
 1992 Center for Social and Behavioral Sciences, School of Liberal Arts, Purdue University, West Lafayette, Indiana.
 1992 University of Copenhagen, Denmark.
 1992 National Museum of Health and Medicine, Armed Forces Institute of Pathology (Paleopathology Course), Washington, D.C.
 1989 Johns Hopkins University, Baltimore.
 1989 Purdue University, West Lafayette.
 1988 Chicago Primatological Society.
 1988 University of Illinois, Urbana.
 1987 Brown University.
 1987 Northwestern University.
 1986 Byron Forest Preserve and Ogle County Historical Society, Illinois.
 1985 Georgia Coastal Archaeological Society, Savannah.
 1985 Chicago Anthropological Society.
 1984 Georgia Coastal Archaeological Society, Savannah.
 1983 Northern Illinois University, DeKalb.
 1983 University of Connecticut, Storrs.
 1983 State University of New York, Plattsburgh.
 1983 New Mexico State University, Las Cruces.
 1982 Massachusetts Archaeological Society, Bronson Museum, Attleboro.
 1979 National Museum of Natural History, Smithsonian Institution, Washington, D.C.
 1979 Maryland Archaeological Society, Fredericksburg.
 1979 Texas A & M University, College Station.
 1979 Howard University, Washington, D.C.
 1979 George Washington University, Washington, D.C.
 1975 University of Michigan, Dearborn.

FIELDWORK AND OTHER EXPERIENCE:

- 2002- Physical Anthropologist, Çatalhöyük Archaeological Project, Turkey, Cambridge University, Ohio State University, University College London, Stanford University.
- 1996 Physical Anthropologist, Southport Mound, Florida, Janus Research, Inc.
- 1993-95 Physical Anthropologist and Co-Director (with B.G. McEwan), Mission San Luis de Talimali Archaeological Project (Tallahassee, Florida), Florida Bureau of Archaeological Research and Purdue University.
- 1993 Physical Anthropologist and Co-Director (with D.H. Thomas), St. Catherines Island Archaeological Project, American Museum of Natural History and Purdue University.

- 1992 Physical Anthropologist and Co-Director (with D.H. Thomas), St. Catherines Island Archaeological Project, American Museum of Natural History and Purdue University.
- 1991 Physical Anthropologist and Co-Director (with B.G. McEwan), Mission San Luis de Talimali Archaeological Project (Tallahassee, Florida), Florida Bureau of Archaeological Research and Purdue University.
- 1991 Physical Anthropologist and Co-Consultant (with M.K. Sandford and K.F. Russell), prehistoric (proto-Arawakan Tutu site) cemetery, St. Thomas, United States Virgin Islands, for the Office of the State Archaeologist, Government of the U.S. Virgin Islands.
- 1991 Physical Anthropologist and Co-Director (with D.H. Thomas), St. Catherines Island Archaeological Project, American Museum of Natural History and Purdue University.
- 1990 Physical Anthropologist and Co-Director (with R.C. Helmkamp), excavation of Civil War era grave (Tippecanoe County, Indiana), Purdue University.
- 1989 Field Consultant, Copán Acropolis Project (Copán, Honduras), for W.L. Fash, Northern Illinois University.
- 1987 Physical Anthropologist and Director, Human Skeletal Field Survey, Carson-Stillwater Archaeological Project (Carson Sink, Nevada), University of Louisville and Northern Illinois University.
- 1987 Physical Anthropologist and Co-Director (with J.T. Milanich), Mission Santa Maria Archaeological Project (Amelia Island, Florida), Northern Illinois University and Florida State Museum.
- 1986 Physical Anthropologist and Co-Director, St. Catherines Island Archaeological Project (with D.H. Thomas), American Museum of Natural History and Northern Illinois University.
- 1986 Physical Anthropologist and Co-Director, Mission Santa Maria Archaeological Project (Amelia Island, Florida) (with J.T. Milanich), Northern Illinois University, Williams College, University of Northern Florida, and Janus Research.
- 1985 Physical Anthropologist and Co-Director (with D.H. Thomas), St. Catherines Island Archaeological Project, American Museum of Natural History and Northern Illinois University.
- 1984 Physical Anthropologist and Co-Director, St. Catherines Island Archaeological Project (with D.H. Thomas), American Museum of Natural History and Northern Illinois University.
- 1983 Physical Anthropologist and Co-Director (with D.H. Thomas), St. Catherines Island Archaeological Project, American Museum of Natural History.
- 1982 Physical Anthropologist and Co-Director (with D.H. Thomas), St. Catherines Island Archaeological Project, American Museum of Natural History.
- 1982- Director, La Florida Bioarchaeology Project.
- 1981 Director, Cedar Dell Pond Archaeological Project (Massachusetts), University of Massachusetts, Dartmouth.

- 1981 Physical Anthropologist and Field Director, St. Catherines Island Archaeological Project, American Museum of Natural History.
- 1980 Field Consultant/Physical Anthropologist, Hidden Cave Archaeological Project, Churchill County, Nevada, for D.H. Thomas, American Museum of Natural History.
- 1980 Physical Anthropologist and Field Director, St. Catherines Island Archaeological Project, American Museum of Natural History.
- 1978 Field Consultant, Gatecliff Shelter, Nye County, Nevada, for D.H. Thomas, American Museum of Natural History.
- 1978 Physical Anthropologist and Field Supervisor, St. Catherines Island Archaeological Project, American Museum of Natural History.
- 1977 Field Consultant, Archaeological survey of Wassau, St. Simons, Little St. Simons, Sea, and Skidaway Islands (Georgia coast) with C.B. DePratter, Skidaway Institute of Oceanography, University of Georgia.
- 1977 Physical Anthropologist and Field Supervisor, St. Catherines Island Archaeological Project, American Museum of Natural History.
- 1976 Physical Anthropologist and Field Supervisor, St. Catherines island Archaeological Project, American Museum of Natural History.
- 1976 Field Consultant, Staebler site, a Woodland period cemetery near Dexter, Michigan, for Cranbrook Institute of Science.
- 1975-76 Supervisor, Laboratory of Physical Anthropology, Department of Anthropology, University of Michigan.
- 1975 Field Supervisor, Gatecliff Shelter, Nye County, Nevada, for D.H. Thomas, American Museum of Natural History.
- 1975 Physical Anthropologist and Field Supervisor, St. Catherines Island Archaeological Project, American Museum of Natural History.
- 1974 Field Supervisor, Gatecliff Shelter, Nye County, Nevada, for D.H. Thomas, American Museum of Natural History.
- 1974 Field Supervisor, Woodland period burial mound in Riley County, Kansas, for M. Finnegan and P.J. O'Brien, Kansas State University.
- 1973 Excavator, Gatecliff Shelter, Nye County, Nevada, for D.H. Thomas, American Museum of Natural History.
- 1973 Excavator, archaeological survey in Owens Valley, California, for R.L. Bettinger, University of California.
- 1972 Summer Intern/Undergraduate Fellow, Department of Anthropology, Smithsonian Institution.

1972 Excavator, Late Woodland ossuary near Nanjemoy, Maryland, for D.H. Ubelaker, National Museum of Natural History, Smithsonian Institution.

1971 Excavator, historic Arikara cemetery near Mobridge, South Dakota, for T.D. Stewart and D.H. Ubelaker, National Museum of Natural History, Smithsonian Institution.

1971-74 Research Assistant, for P.J. O'Brien, Kansas State University.

1970 Excavator, Hopewell culture habitation site in Geary County, Kansas, for P.J. O'Brien, Kansas State University.

1970 Excavator, early 19th-century frontier fort (Fort Atkinson), Washington County, Nebraska, for C.H. Jones, Nebraska State Historical Society.

CONSULTING:

1996- Osteological consultant for Environmental Compliance Consultants, Inc., Springfield, Illinois.

1991-96 Osteological consultant for Hanson Engineers Incorporated, Springfield, Illinois.

1992-93 Bioanthropology consultant for interpretive (museum exhibit) planning at Mission San Luis (National Endowment for the Humanities funded) for B.G. McEwan, Florida Bureau of Archaeological Research, Tallahassee.

1990-93 Forensic identification for Indiana State Police.

1993 Forensic identification for Lake County (Indiana) Coroner's Office.

1990-93 Forensic identification for Tippecanoe County (Indiana) Coroner's Office.

1988-89 Forensic identification for the McHenry County (Illinois) Coroner's Office.

1988-89 Forensic identification for the DeKalb County (Illinois) Coroner's Office.

1985-96 Osteological consultant for Janus Research, Inc., St. Petersburg, Florida.

1984-89 Forensic identification for the Ogle County (Illinois) Coroner's Office.

OTHER RESEARCH-RELATED ACTIVITY:

2004- (with Simon Hillson) Ongoing study of Neolithic skeletal series, Human Remains Laboratory, Çatalhöyük, Turkey.

2003 Research at Lauchheim, Germany, on medieval skeletal series.

2002 Established the Bioarchaeology Research Laboratory, Ohio State University, Columbus.

2000 Research at Odense University, Denmark, on medieval skeletal series (Black Friars).

1998 Research at Georg-August-Universität (University of Göttingen), Germany, and Odense University, Denmark, on medieval period skeletal remains.

- 1997-99 (with Tiffany Tung) Study of human remains from Mission San Luis de Talimali.
- 1996 Established the Bioarchaeology Research Laboratory, University of North Carolina, Chapel Hill.
- 1994-96 (with Patricia Lambert) Repatriation inventory and study of human remains in the collections of the Research Laboratories of Anthropology, University of North Carolina, Chapel Hill.
- 1994-95 (with Marianne Reeves) Repatriation inventory and study of human remains from the Fusihatchee Town site, Alabama, from the collections of the University of South Alabama, Mobile, and Auburn University, Auburn, Alabama.
- 1994 Study of human remains from Mission San Martin de Timucua and various northern Florida prehistoric skeletal series, Florida Museum of Natural History, Gainesville.
- 1992-95 (with Matthew Williamson, Leslie Sering, and Mark Griffin) Repatriation inventory and study of human remains in the collections of the Department of Anthropology, University of Georgia, Athens.
- 1992 Study of human remains from St. Simons Island, Georgia, Florida Museum of Natural History, Gainesville.
- 1991 Established the Bioanthropology Research Laboratory, Purdue University.
- 1990 Study of Krapina Neandertal dentitions at Croatia Natural History Museum, Zagreb, Croatia.
- 1988 (with C.B. Ruff) Computed axial tomography (CT) study of humeri and femora from Carson Sink, Nevada, at Veterans Administration Hospital, Reno, Nevada.
- 1987-88 Study of human remains from Carson Sink, Nevada, at Nevada State Museum, Carson City.
- 1985 Study of human remains from Pine Harbor Mound, Georgia, at Marine Resources Center, University of Georgia, Skidaway Island, Georgia.
- 1982- Ongoing study of human remains from Georgia and Florida Spanish missions.
- 1982-83 Study of skeletal biomechanical properties from prehistoric Georgia coastal mortuary sites with C.B. Ruff and W.C. Hayes, Department of Orthopaedic Surgery, Beth Israel Hospital, Boston.
- 1982 Study of biomechanical properties of human femurs from prehistoric Georgia coastal mortuary sites, Department of Anthropology, National Museum of Natural History, Smithsonian Institution.
- 1981 Study of Great Basin human skeletal remains at Hearst Museum of Anthropology, University of California (Berkeley), Desert Research Institute (Reno), and University of Nevada (Las Vegas).
- 1980 Established the Laboratory of Biological Anthropology and Archaeology, University of Massachusetts, Dartmouth.
- 1980 Study of human skeletal remains from Hidden Cave, Nevada, at the American Museum of Natural History Archaeological Field Station, Fallon, Nevada.

1978-79 Data collection and analysis of Georgia coastal human remains, Department of Anthropology, National Museum of Natural History, Smithsonian Institution.

1978 Study of human skeletal remains from a Mississippian period cemetery (Lowndes County, Mississippi).

1977 Identification of Moundville site skeletal remains with C.S. Peebles and M.J. Schoeninger at Moundville State Park, Moundville, Alabama.

1977 Study of Georgia coastal skeletal samples at the Department of Anthropology, University of Georgia, Athens.

1973 Data collection and analysis of Great Basin projectile points at the Desert Research Institute (Reno), Department of Anthropology, University of California (Davis and Berkeley), and Department of Anthropology, University of Utah (Salt Lake City), with D.H. Thomas, American Museum of Natural History.

1972 Demographic analysis of human skeletal remains from a Late Woodland period ossuary from the tidewater Potomac (Maryland), with D.H. Ubelaker, National Museum of Natural History, Smithsonian Institution.
