

## 2<sup>nd</sup> YEAR IN ANTHROPOLOGY CONFERENCE

September 9, 2015

Program:

Time	Authors	Title	Area	Original Conference
3:00 – 3:15	Willow, A	Collaborative Conservation as a Survival Strategy: New Contexts of Indigenous Resistance in Canada's Boreal Forest	Cultural Anthropology	AAA 2014
3:15 – 3:30	Yotebieng, KA	Re-imagining Home: the relationship between mental health and social networks in Columbus, Ohio	Cultural Anthropology	Society for Applied Anthropology
3:30 – 3:45	Larsen, CS; Vercellotti, G; Fornaciari, G; Poinar, H	Bioarchaeology of life and death in Tuscany, Italy, AD 900-1900	Physical Anthropology	AAAS 2015
3:45 – 4:00	Hubbe, M; Torres-Rouff, C	Morphology and Culture among the Middle and Late Intermediate Period Inhabitants of Catarpe (San Pedro de Atacama, Chile)	Physical Anthropology	SAA 2015
<b>4:00 – 5:00</b>	<b>BREAK &amp; POSTERS</b>			
5:00 – 5:15	Yerkes, R; Gyucha, A; Parkinson, WA	A Tale of Two Tells: Social Differentiation and Hereditary Inequality in Neolithic Nucleated Settlements in Southeastern Europe	Archaeology	SAA 2015
5:15 – 5:30	Weiland, A	Practical and Social Storage among the Ohio Hopewell: Archaeobotanical and ceramic evidence for delayed return of pre-maize crops	Archaeology	SAA 2015
5:30 – 5:45	Arceño, MA; Herrera, B; Cohen, J	Counting Calories, Counting Culture: Considerations for Diversity and Food-Based Dietary Guidelines	Cultural Anthropology	AAPA 2015
5:45 – 6:00	Laborde, S; Ahmadou, M; Durand, M; Fernandez, A; Hamilton, I; Mark, B; Phang, S; Xiao, N; Ziebe, R; Moritz, M	The risk of computational "streetlight effect" in social-ecological systems research	Cultural Anthropology	Conference on Complex Systems 2015

## POSTERS

	Authors	Title	Area	Original Conference
1	Smith, M; Buffington, A	Feeding the Troops? Patterns of Agricultural Production in the Macrobotanical Remains of Nabataean and Late Roman sites on the Wadi ath-Thamad, Jordan	Archaeology	SAA 2015
2	Zotova, N; Cohen, J	Social Fields and Tajik Migration	Cultural Anthropology	Society for Economic Anthropology
3	O'Hara, M; Guatelli-Steinberg, D	A comparison of Pan paniscus and Pan troglodytes perikymata distribution in upper incisors and lower canines by crown length and height	Physical Anthropology	AAPA 2015
4	Clark, A; Guatelli-Steinberg, D; Hubbe, M; Ferrell, R	Lateral Enamel Formation of Anterior Teeth and Life History in New World Monkeys	Physical Anthropology	AAPA 2015
5	Clark, MA; Casado, AM	Dental Health in a Late Prehistoric Population from Northeastern Ohio	Physical Anthropology	AAPA 2015
6	Cole, ME; Stout, SD	A semi-automatic method for intracortical porosity quantification with application to intraskeletal variability	Physical Anthropology	AAPA 2015
7	Padgett, BD; Jacobi, KJ	Scars of Alabama: Bioarchaeology of Violence among Riverine Islanders	Physical Anthropology	AAPA 2015
8	Padgett, BD; Dzubak, A	Implications for Osseous Occlusion of the Sacral Canal: A Case Study from McKee Island, Alabama (1Ms322)	Physical Anthropology	BARFAA 2015
9	Buck, S; Hubbe, M; Torres-Rouff, C; Pestle, W	The growing divide: emergent social inequality in San Pedro de Atacama during the Middle Horizon	Physical Anthropology	AAPA 2015
10	Edes, AN; Wolfe, BA; Crews DE	Assessing stress in Western lowland gorillas ( <i>Gorilla gorilla gorilla</i> ) in human care using allostatic load	Physical Anthropology	American Society of Primatologists
11	Brown, A; Cole, ME; Stout SD	A preliminary study of cortical and trabecularized porosity distribution in human and quadruped ribs	Physical Anthropology	AAPA 2015
12	Goliath, JE; Stewart, MC; Tuamsuk, P	Stature Estimation From Modern Southeast Asian Skeletal Remains: Placing the Data in Context	Physical Anthropology	AAPA 2015

	Authors	Title	Area	Original Conference
13	Peart, D; McKee, J	Continuous or pulse? Simulating speciation and extinction from fauna at Plio-Pleistocene Hominin sites	Physical Anthropology	AAPA 2015
14	McGuire, SA; Schutkowski, H	Bringing Wine to the feast: Diet and status of Late iron age and Early Roman Individuals from Winterborne Kingston, UK	Physical Anthropology	AAPA 2015
15	Cheverko, CM; Bartelink, EJ	Status and Activity in Prehistoric Central California: Patterns of Osteoarthritis in a Social Context	Physical Anthropology	AAPA 2015
16	Hubbell, ZR; Gosman, JH; Ryan, TM	Age-Related Trends in Human Trabecular Bone Connectivity at the Cortical-Trabecular Interface in the Proximal Tibia Metaphysis	Physical Anthropology	AAPA 2015
17	Makii, R; Edes, A; Crews, DE	What is the relationship between behavior and infection in Western lowland gorillas ( <i>Gorilla gorilla gorilla</i> ) in human care?	Physical Anthropology	Denman 2015
18	Dunham, NT; Kane, EE; McGraw, WS	Scapular geometry and forelimb use in four sympatric cercopithecids	Physical Anthropology	AAPA 2015
19	Ouattara, K; Kane, EE; McGraw, WS	Primate research and challenges to meaningful engagement in Côte d'Ivoire's Tai National Park.	Physical Anthropology	AAPA 2015
20	Kane, EE	Dietary preference, feeding behavior, and sociality among female Diana monkeys ( <i>Cercopithecus diana</i> )	Physical Anthropology	AAPA 2015
21	Margolis, JA; Van Gerven, DP; Armelagos, GJ	Homogeneity of Tetracycline Labeling Across Classes in Early Christian Burials from Kulubnarti, Nubia	Physical Anthropology	AAPA 2015
22	Herrera, B; Hubbe, M	Quantitative Analysis of Drift versus Selection in Prehistoric South American Populations	Physical Anthropology	AAPA 2015
23	Guatelli-Steinberg, D; Ferrell, R; Pampush, J	Variation in primate enamel formation front angles	Physical Anthropology	AAPA 2015
24	Dominguez, VM; Agnew, AM	Potential Influences on Rib Osteon Area	Physical Anthropology	AAPA 2015

	Authors	Title	Area	Original Conference
25	Hunter, RL; Agnew, AM	Intracortical Porosity of the Distal Radius: Association with Evidence of Systemic Remodeling	Physical Anthropology	AAPA 2015
26	Gocha, TP; Agnew, AM	Regional Variation in Osteon Size at the Femoral Midshaft	Physical Anthropology	AAPA 2015
27	Gocha, TP; Agnew AM	Osteon Population Density is Highest in the Anterolateral Femur of Humans: An Adaptation to Loading?	Physical Anthropology	45th International Sun Valley Workshop on Musculoskeletal Biology
28	Betz, B	The Tooth About Pastoralism: Oral Health, Physiological Stress and Diet in a 19th Century Mobile Pastoralist Population from Mongolia	Physical Anthropology	SAA 2015
