# Paul W. Sciulli

## CURRICULUM VITAE

# **University Address**

Department of Anthropology The Ohio State University 4020 Smith Laboratory Columbus, Ohio 43210-1364 (614) 292-1984

# **Degrees**

University of Pittsburgh, Pittsburgh, Pennsylvania. B.A. in anthropology with biology minor, 1969.

University of Pittsburgh, Pittsburgh, Pennsylvania. Ph.D. in physical anthropology, 1974. Dissertation title: Classic Analysis of Variation of Dental, Palatal and Mandibular Size in the Mouse (<u>Mus musculus</u>): The Relationships of the Heritable Components of Variation.

### **Professional Experience**

Teaching Assistant, 1969-1970, University of Pittsburgh

Teaching Fellowship, 1970-1971, University of Pittsburgh

National Science Foundation Traineeship, 1971-1973

- Instructor, 1973-1974, University of Pittsburgh Courses: Introduction to Physical Anthropology Hominid Evolution Human Variation Primate Cytogenetics
- Visiting Assistant Professor, 1974-1975, The Ohio State University Courses: Introduction to Physical Anthropology Human Population Genetics Quantitative Methods in Anthropology Biological Aspects of Human Behavior

Visiting Assistant Professor, 1975-1976, The Ohio State University Courses: Dental Anthropology Quantitative Methods in Anthropology Primate Cytogenetics Introduction to Physical Anthropology Evolutionary Theory

Assistant Professor, 1976-1982, The Ohio State University Courses: Dental Anthropology Quantitative Methods in Anthropology Human Population Genetics Primates of the Paleocene Biocultural Adaptations in Prehistory Dental Evolution (Lectures in College of Dentistry) Introduction to Physical Anthropology Associate Professor, 1982-1989, The Ohio State University Courses: Identification of Human Skeletal Remains (Peace Officer Training Academy, London, Ohio) Identification of Human Skeletal Remains (Archaeology) (Internship, Ohio Historical Society) Dental Anthropology Quantitative Methods in Anthropology Human Population Genetics Primates of the Paleocene **Biocultural Adaptation in Prehistory** Dental Evolution (Lectures in College of Dentistry) **Evolutionary Theory** Introduction to Physical Anthropology Professor, 1989-2011, The Ohio State University Courses: Dental Anthropology Quantitative Methods in Anthropology Human Population Genetics Primates of the Paleocene **Biocultural Adaptation in Prehistory** Dental Evolution (Lectures in College of Dentistry) Evolutionary Theory Introduction to Physical Anthropology Consultant Franklin County Coroners Department 1983-2000 Consultant Franklin County Coroners Department Forensic Pathology Fellowship Program 1986-2000 Editorial Board Human Biology, 1993 - 1995 National Disaster Medical System (Dmort) 1995-2000 Associate Editor American Journal of Physical Anthropology 1996-2000. Associate Editor Research in the Pleistocene 2001-2002 Member Graduate Faculty University of Alabama 2001-2002

Emeritus Professor 2011-present Member Emeritus Academy 2014-present Departmental and Other Committee Assignments

Undergraduate Curriculum Committee Chair, Autumn 1976
Undergraduate Curriculum Committee, 1977-1980
Graduate Committee, Autumn 1977; 1995-2003, 2006-2007
University Computer Committee, Autumn 1977-present
Representative to College Curriculum Committee, 1976-1983
Coordinator for Energy Conservation, Winter 1978
Ohio Archaeological Regional Preservation Office, Autumn 1980-1984
University Arts and Science Congress (Alternate Representative), Autumn 1980, 1982
Acting Chair, Department of Anthropology, February 1990 - February 1991
Ohio Academy of Science Membership Chairman Anthropology Section 1982-1983 (elected, could not serve)
Graduate Committee Chair, Summer 1983-Summer 1990
College Tenure and Promotion Committee 1995-2002
College Budget and Planning Committee 2006-2009

# **Field Experience**

1969	Field study in Tlaxcala, Mexico. Assisted in oral examinations and taking dental casts. Also assisted in subsequent analysis of data with Drs. S.W. Oka and M.H. Crawford.
1970	Participated in archaeological field school, Hannatown, Pa.
1973-81	Physical Anthropologist in charge of human remains at Meadowcroft Rock Shelter, Avella, Pa.
1976-81	Analysis of skeletal remains from Darby Dan site, Franklin County, Ohio
1979-86	Analysis of skeletal remains from Williams' site, Wood County, Ohio.
1980-84	Hominoid growth study, Columbus Zoo.
1981-82	Cytogenetic study of gorillas, Columbus Zoo.
1982	Analysis of 25 skeletal population from Ohio (2,500 B.C A.D 1610).
1983	Analysis of the Duff site and Pearson Village skeletal population.
1985-89	Analysis of the Scioto County Homes skeletal population, the Richards site skeletal material, the Buffalo site skeletal material.
1990-93	Analysis of the Sun Watch skeletal population (Dayton Museum of Natural History)
1991-93	Analysis of the Monongahela skeletal population (Carnegie Museum of Natural History)
1992-93	Analysis of the Maddie Stewart and Old Town skeletal populations
1997-98	Analysis of Monongahela skeletal samples (California University, Pennsylvania)
1998-2000	Analysis of the Kerniskey and Grantham skeletal populations (Cleveland Museum of Natural History)
2002-2009	Analysis of the Lake View Farms, Carty and Danbury skeletal samples.
2004-2009	Analysis of the Danbury site, Wegerzyn, Steele Dam and Pumpkin skeletal samples.

# **Grants and Awards**

Ohio State University, College of Social and Behavioral Sciences, Research Grants-in-aid, 1975: Biological Relationships among Populations Composing the Adena Hopewell and Ft. Ancient Cultural Complexes.

Analysis of Human Remains from Meadowcroft Rock Shelter, Research stipend from J.M. Adovasio, University of Pittsburgh, Pittsburgh, Pa., 1977-1978.

Ohio State University, College of Social and Behavioral Sciences, Research Grants-in-aid, 1979: Skeletal Analysis of the Late Archaic Williams' Site Population.

College Research Fellow (College of Social and Behavioral Sciences) 1982-1983.

Carnegie Museum of Natural History: Inventory and Analysis of Skeletal Collection. 1990-1992. (\$21,000.00)

National Science Foundation: A History of Health and Nutrition in the Western Hemisphere (R.H. Steckel, J.C. Rose, P.W. Sciulli) 1993-1996. (\$67,000.00)

National Park Service: The People of Mound City: Inventory and Analysis. 1994-1995. (\$19,500.00)

University of Toledo: Inventory of Skeletal Remains at the University of Toledo. 1995. (\$8,500.00)

National Science Foundation: A History of Health and Nutrition in the Western Hemisphere: Conference (R. Steckel, J.C. Rose, P.W. Sciulli) 1996. (\$37,000.00)

Carnegie Museum of National History: Analysis of the Trants Sites. 1996. (\$700.00)

University of Alabama: Analysis of Scioto Trails Site. 1996. (\$450.00)

National Science Foundation Dissertation Improvement Grant: A Biocultural Study of Centralized Economic Control in the Roman Period of Egypt (P.W. Sciulli and T.L. Tucker). 1997. (\$11,953.00)

National Science Foundation Dissertation Improvement Grant: Biological Distance and the African American Dentition (P.W. Sciulli and Heather Edgar). 2000. (\$4,580.00)

Mershon Center Fellowship (2001-2002): Symmetry and Human Aggression: A Life Course Analysis. (\$35,250).

National Science Foundation. Workshop: Skeletal Biology, Health, and Economic Development. (R.H. Steckel, C.S. Larsen, P.W. Sciulli, P.L. Walker) 2001. (\$21,000).

Certificates of Recognition for Forensic Anthropology Services to the State of Ohio from the Attorney General (Betty Montgomery), the Ohio House of Representatives, and the Ohio Senate. 2001.

National Science Foundation. A History of Health in Europe from the Late Paleolithic Era to the Present (R.H. Steckel, C.S. Larsen, P.W. Sciulli, P.L. Walker) 2001-2005: 2002-2003 (\$176,012), 2003-2004 (\$189,882), 2004-2005 (\$172,224).

National Science Foundation. Collaborative Research: The Living Environment and Human Health Over the Millenia. (R.H. Steckel, C. Merry, C.S. Larsen, L.G. Thompson, Paul Sciulli). \$509,613(2005-2006), \$125,000 (2006-2007).

Hatcher Memorial Award for Excellence. 2005. Ohio State University, College of Arts and Sciences.

College of Social and Behavioral Sciences Joan N. Huber Faculty Fellow 2006

The Wenner-Gren Foundation. (GR. 8360) Assessing Growth and Development of Prehistoric Amerindians from Incremental Microstructures of Dental Enamel. (PW Sciulli and SH Blatt) 2011. (17,243).

## Papers Presented

- 1972 M.I. Siegel, P.W. Sciulli, and B. Rosenberg-Bassin. Implications of Isozyme Distribution for Short Term Acclimatization. Presented at the American Anthropological Association Meetings, Toronto, Canada.
- 1974 P.W. Sciulli. A Quantitative Study of the Dentition and Supporting Structures of the House Mouse (<u>Mus musculus</u>). Presented at the Annual Meeting of the American Association of Physical Anthropologists Amherst, Massachusetts.
- 1977 P.W. Sciulli. An Investigation of Developmental Abnormalities of the Dentition in Prehistoric Ohio Valley Amerindians. Presented at the Annual Meeting of the Central States Anthropological Society, Cincinnati, Ohio.
- 1979 Adovasio, J.M., J.D. Gunn, J. Donahue, R. Stuckenrath and P.W. Sciulli. Meadowcroft Rock Shelter: Retrospect 1978. Presented at the Annual Meeting of the Society for American Archaeology, Vancouver, B.C., Canada
- 1982 P.W. Sciulli. An Initial Study of Biological Relationships in Adena and Glacial Kame Groups. Central States Anthropological Society Meeting. April 7, 1982. Lexington, Kentucky.

P.W. Sciulli. Preliminary Investigation of Population Structure in the Adena and Glacial Kame Burial Complexes. Ohio Academy of Sciences. April 24, 1982. Columbus, Ohio.

P.W. Sciulli. Description and Analysis of Human Remains from Meadowcroft Rockshelter (36WH297). Society for American Archaeology. April 17, 1982. Minneapolis, Minnesota.

A. Bellisari and P.W. Sciulli. Application of Growth Standards to the Early Growth of Captive Lowland Gorillas. Ohio Academy of Science. April 24, 1982. Columbus, Ohio.
