

DEBBIE GUATELLI-STEINBERG
January 2019

Department of Anthropology
The Ohio State University
174 West 18th Avenue
Columbus, OH 43210

e-mail: guatelli-steinbe.1@osu.edu

EDUCATION

University of Oregon, Ph.D. in Biological Anthropology, 1993-1998.
Dissertation: *Prevalence and Etiology of Linear Enamel Hypoplasia in Non-Human Primates*.
Chair: Dr. John Lukacs

University of California, Davis, M.A. in Biological Anthropology, 1984-1986.
Master's Paper: *Inbreeding Avoidance Related Dispersal in Primates*.
Adviser: Dr. Peter Rodman

Stanford University, A.B. in Human Biology, 1979-1984.
Area of concentration: Biology and Culture.
Adviser: Dr. William Durham

ACADEMIC APPOINTMENTS

Professor, Department of Anthropology; Courtesy Professor, Department of Evolution, Ecology, and Organismal Biology. The Ohio State University, Fall 2011-Present.

Honorary Professor, School of Anthropology and Conservation. University of Kent, Fall 2016-Fall 2019.

Associate Professor, Department of Anthropology; Courtesy Associate Professor, Department of Evolution, Ecology, and Organismal Biology. The Ohio State University, Fall 2006-Present.

Assistant Professor, Department of Anthropology; Courtesy Assistant Professor, Department of Evolution, Ecology, and Organismal Biology. The Ohio State University, Fall 2000-2006.

Visiting Assistant Professor of Biological Anthropology, Department of Anthropology, University of Oregon, 1999-2000.

Academic Adviser, Department of Academic Advising and Student Services
University of Oregon, 1999-2000.

FIELDS OF SPECIALIZATION

Dental Paleoanthropology: Fossil tooth growth, morphology, and evolution

Dental Primatology: Modern primate variation in tooth growth, sexual dimorphism, morphology

PROFESSIONAL POSITIONS IN SERVICE OF DISCIPLINE

Associate Editor (Member of Editorial Board): *Yearbook of Physical Anthropology*. 2018-Present.

Editorial Board: *Dental Anthropology*. 2017-Present.

Academic Editor: *PLoS ONE*. 2013-2014.

Executive Committee Member, American Association of Physical Anthropologists. 2010-2013.

Associate Editor (Member of Editorial Board): *American Journal of Physical Anthropology*. 2007-2012.

Associate Editor (Member of Editorial Board): *Journal of Human Evolution*. 2007-2010.

President: Dental Anthropology Association: Oversee international organization. 2004-2006.

Book Review Editor: *Dental Anthropology*. 1999-2004.

TEACHING AWARDS

Distinguished Alumni Award for Teaching Excellence. The Ohio State University, 2006.

- Annual university-wide award given to 10 of 1,000 nominees (\$3,000 plus salary increase)

Barnes Award for Exemplary Teaching. The Ohio State University at Newark, 2003.

- Annual university-wide award given to one of 60 faculty members. (\$1,000)

Teaching Fellow Award for Excellence in Teaching. University of Oregon, 1996.

- Annual university-wide award given to two of 1,300 Graduate Teaching Fellows (\$500)

Madeline Hunter Teaching Award. UCLA, 1987.

- Annual School of Education Award for Teaching Excellence given to four of 60 graduate students (\$1,000)

RESEARCH GRANTS

Ohio State University Social and Behavioral Sciences Special Research Grant, 2018-present. Debbie Guatelli-Steinberg and W. Scott McGraw WS (co-investigators).

- Funding for microCT study of non-human primate tooth enamel distribution (\$3,000)

Leverhulme Trust Full Research Project Grant, 2018-present. Patrick Mahoney P (primary applicant), Debbie Guatelli-Steinberg D (co-applicant 1), Priscilla Bayle (co-applicant 2), Carolina Loch Santos (co-applicant 3).

- Funding three-year international collaboration entitled "The Biorhythm of Childhood Growth," investigating a fundamental growth rhythm in teeth, its variation across human populations and its relationship to somatic growth rates (£292,491).

Ohio State University Social and Behavioral Sciences Special Research Grant, 2016. Debbie Guatelli-Steinberg D (PI).

- Funding Leica Digital microscope for analysis of *Homo naledi* fossil tooth replicas (\$9,930).

Fundação de Amparo à Pesquisa do Estado de São Paulo (FAPESP), 2014-2016. da Gloria P (PI), Menezes Strauss A (collaborator), Suarez Villagran X (collaborator), Elias de Oliveira R (collaborator), Neves Nogueira F (collaborator), Murrieta RSS (collaborator), Piperata BA (collaborator), Guatelli-Steinberg D (collaborator).

- Funding project entitled: Health and lifestyle of the Paleoamericans of Lagoa Santa: An ethnoarchaeological approach (US\$240,000).

National Science Foundation Grant, 2012-2013. PIs: Debbie Guatelli-Steinberg, Barbara Piperata; Co-PI: Jennifer Spence (\$30,352).

- Funding project entitled: Doctoral Dissertation Research: Deciduous tooth emergence, nutritional status, and weaning and feeding decisions in the Brazilian Amazon (\$30,352).

National Science Foundation Grant, 2006-2008. PI: Debbie Guatelli-Steinberg.

- Funding project entitled: Investigating the effects of enamel growth variables on linear enamel hypoplasia in primates. (\$86,262).

Ohio State University Office of International Affairs Grant, 2005. PI: Debbie Guatelli-Steinberg.

- Funding completion of manuscript with foreign collaborator (\$2,800)

Leakey Foundation Grant, 2003-2004. PI: Debbie Guatelli-Steinberg

- Funding study of growth and growth disruption in Neanderthal teeth (\$15,000).

Ohio State University Social and Behavioral Sciences Special Research Grant, 2002. PI: Debbie Guatelli-Steinberg

- Funding scanning electron microscope analysis of Neanderthal tooth replicas (\$3,000).

Leakey Foundation Grant, 2002-2003. PI: Debbie Guatelli-Steinberg

- Funding study of linear enamel hypoplasia in east African hominids (\$5,000).

Ohio State University Professional Standards Committee Research Grants, 2001 and 2002. PI: Debbie Guatelli-Steinberg

- Funding scanning electron microscope analysis of hominid tooth impressions (\$4,000)

Ohio State University Seed Grant Program Award, 2001. PI: Debbie Guatelli-Steinberg

- Funding research on enamel hypoplasia in East and South African hominids (\$10,500)

Ohio State University Professional Standards Committee Research Grant, The Ohio State University, 2001. PI: Debbie Guatelli-Steinberg

- Funding research on chimpanzee and gorilla enamel hypoplasia (\$1,500)

University of Oregon Graduate Research Awards, 1998, 1997, 1996. PI: Debbie Guatelli-Steinberg

- Funding travel to present a paper at annual AAPA conference (\$600)

National Science Foundation Grant, 1997-1998. PI: John Lukacs, Co-PI: Debbie Guatelli-Steinberg

- Funding doctoral dissertation research on linear enamel hypoplasia in non-human primates (\$7,761).

BOOK

Guatelli-Steinberg, D., 2016. *What Teeth Reveal About Human Evolution*. Cambridge: Cambridge University Press.

PEER-REVIEWED JOURNAL ARTICLES

Benderlioglu, Z., **Guatelli-Steinberg, D.** (under review with the *International Journal of Primatology*). Is there a link between matriline dominance rank and linear enamel hypoplasia? An assessment of defect prevalence and count in Cayo Santiago rhesus macaques (*Macaca mulatta*).

Xing, S., Tafforeau, P., O'Hara, M., Modesto-Mata, M., Martin-Frances, L., Martinon-Torres, M., Zhang, L., Schepartz, L.A., Bermudez de Castro, J.M., **Guatelli-Steinberg, D.** (in press). First systematic assessment of dental growth and development in an archaic hominin (genus, *Homo*) from East Asia. *Science Advances*.

O'Hara, M. C., Le Cabec, A., Xing, S., Skinner, M. F., & **Guatelli-Steinberg, D.** (2018). Safe casting and Reliable cusp reconstruction assisted by micro-computed tomographic scans of fossil teeth. *The Anatomical Record*. <https://doi.org/10.1002/ar.24047>

Guatelli-Steinberg, D., O'Hara, M., Le Cabec, A., Delezene, L., Skinner, M., Berger, L. (2018). Patterns of lateral enamel growth in *Homo naledi* as assessed by perikymata distribution and number. *Journal of Human Evolution* 121: 40-54

Irish, J., Bailey, S., **Guatelli-Steinberg, D.**, Delezene, L., Berger, L. (2018). Ancient teeth, phenetic affinities, and African hominins: Another look at where *Homo naledi* fits in. *Journal of Human Evolution* 122: 108-123.

Guatelli-Steinberg, D. 2005. Insights into Neandertals from the growth of their teeth. Departments of Statistics and Biostatistics Lecture Series, Ohio State University

OTHER TEACHING FELLOWSHIPS, GRANTS, AND HONORS

Graduate Teaching Fellow Mentor, The Ohio State University, 2005 to Present

- Mentoring graduate teaching fellow in developing teacher training for department

Faculty and TA Development Seed Grant Recipient, The Ohio State University, 2005

- Funding teacher training program for Anthropology Department (\$5,000)

Grant recipient: Honors and Scholars Program, The Ohio State University, 2003

- Funding to seed honors course on human sex differences and sexuality (\$8,900)

Who's Who among American Teachers, The Ohio State University, 2002

Teaching Enhancement Grant, The Ohio State University, 2002

- Funding travel to Olduvai Gorge (\$2,500)

Graduate Teaching Fellowship, UO General Science Program, 1993-98

- Fellowship supporting advising for undergraduate General Science majors (tuition, stipend)

Theodore Stern Fellowship, UO Department of Anthropology, 1996-97

- Annual departmental teaching award given to two doctoral students (tuition, stipend)

Graduate Teaching Fellowship, UO Department of Anthropology, 1995-96

- Fellowship supporting teaching Anthropology to undergraduates (tuition, stipend)

National Medical Enterprises Teaching Fellowship, UCLA, 1986

- Fellowship for prospective biological science teachers (\$500)

ACADEMIC HONORS

Joan N. Huber Faculty Fellow Award, Social and Behavioral Sciences, The Ohio State University 2013

Sigma Xi, The Scientific Research Society: Full Membership, The Ohio State University, 2003

Scholarly Accomplishment Award, The Ohio State University (Newark), 2003

Janet Smith Scholarship, University of Oregon, 1997-98

Richard W. Johnson Scholarship, University of Oregon, 1996-97

Who's Who in American Colleges and Universities, 1996

Phi Kappa Phi Honor Society, UC Davis, 1986

Letter of congratulation for performance in Human Biology Core course, Stanford University, 1982

ADDITIONAL SERVICE TO DISCIPLINE

Podium Session Chair. Chaired Hominin Paleoanthropology Session at the 87th Meeting of the American Association of Physical Anthropologists. 2018.

Symposium Co-Chair (with Tanya Smith, Chair). Developmental Variation of the Primate Dentition. 80th Annual Meeting of the American Association of Physical Anthropologists. 2011.

Local Arrangements Committee: 77th Meeting, American Association of Physical Anthropologists. 2008.

Poster Session Chair: Chaired Dental Anthropology Session at the 77th Meeting of the American Association of Physical Anthropologists. 2008.

Scientific Program Committee Member: 74th and 75th Annual Meeting of the American Association of Physical Anthropologists Reviewed abstracts. 2004-2006.

Symposium Co-organizer (Charles Hilton, Organizer). *Bioarchaeology of Point Hope, Alaska*. 75th Annual Meeting of the American Association of Physical Anthropologists. 2006.

Podium Session Chair. Chaired Dental Anthropology Session at the 73rd Meeting of the American Association of Physical Anthropologists. 2004.

Podium Session Chair. Chaired Dental Anthropology Session at the 72nd Meeting of the American Association of Physical Anthropologists. 2003.

Symposium Chair: *Patterns of Physiological Stress in Primates: The Dental Evidence*. 69th meeting of the American Association of Physical Anthropologists. 2000.

UNIVERSITY TEACHING AND ADVISING

Anthropology Department., The Ohio State University. 2004-Present

- Graduate students: 11 Ph.D. (5 completed), 3 Masters (two completed)
- Undergraduate Honors and/or Thesis Advisor (two completed)
- Honors Adviser: Adviser to students in the Anthropology Honors Program, 2004-2005.
- Anthropology 200 Coordinator: Coordinating team of 12 graduate teaching associates teaching the introductory undergraduate physical anthropology course; giving presentations on teaching strategies; implementing peer evaluation program; reviewing curriculum, designing and performing course assessment. 2004-2009.
- Courses teaching/taught: Designing lecture and laboratory curricula; class sizes from 15-70
 - Teaching in Anthropology***: Graduate level course
 - Evolutionary Theory***: Graduate level course
 - Primate Sexuality***: Upper division course
 - Dental Anthropology: Evolutionary Anthropology of the Dentition***. Upper division/graduate
 - Introduction to Physical Anthropology Honors***: Lower division undergraduate course
 - Human Origins***: Upper division undergraduate course
 - Independent Study***: Supervising Undergraduate, MA, Ph.D. students research projects

Anthropology Department, The Ohio State University, Newark, 2000 to 2004.

- Courses taught: Designed lecture and laboratory curricula; class sizes from 20-70:
Interdisciplinary Perspectives on Sex Differences and Sexuality: Upper division honors seminar funded by Columbus Honors and Scholars Program Grant.
Human Origins: Upper division undergraduate course
Introduction to Physical Anthropology: Lower division undergraduate course
Introduction to Cultural Anthropology: Lower division undergraduate course
World Prehistory: Lower division undergraduate course
Evolutionary Perspectives on Sexuality: Arts and sciences honors seminar.
Independent Study: Supervised Undergraduate, MA, Ph.D. students research projects

Visiting Assistant Professor, Anthropology Dept., University of Oregon, 1999-2000.

- Courses taught: Designed lecture and laboratory curricula
Evolution of Human Sexuality: Lower division undergraduate lecture course of 300 students.
Human Evolution: Upper division undergraduate lecture course of 75 students.
Supervised Research: Supervised graduate student's research on enamel hypoplasia.
 Supervised team of graduates/undergraduates conducting sexuality study.
Supervised College Teaching: Coordinated seven graduate teaching fellows as instructors.
Biological and Cultural Analyses of Warfare and Organized Violence: Co-taught upper division/graduate biocultural seminar.
Introduction to Human Evolution: Lower division undergraduate lecture course of 200

Academic Adviser, Department of Academic Advising and Student Services, University of Oregon, 1999 – 2000.

Advised pre-medical and undeclared students, wrote and edited program literature, analyzed advising data, organized academic orientation programs.

Theodore Stern Fellow, Department of Anthropology, University of Oregon, 1997. Course:

Primate Sociobiology: Created and taught course: lectures and discussion.

Graduate Teaching Fellow, Department of Anthropology, University of Oregon, 1995-1997.

Primate Behavior, Monkeys and Apes, Human Evolution, and Evolution of Human Sexuality. Designed labs, coordinated class projects, taught lab sections, conducted review sessions. Guest lecturer on a variety of topics.

Graduate Teaching Fellow, General Science Program, University of Oregon, 1993-1998.

Advising General Science majors, coordinating peer advisors, designing and implementing honors program, evaluating major requirements, writing and editing program literature.

Teaching Assistant, Department of Anthropology, University of California, Davis, 1985-1986.

Physical Anthropology (3 terms): Taught lab sections, gave guest lectures on human evolution, wrote and graded examinations, designed lab activities.

SECONDARY SCHOOL TEACHING
